VOLUME 3. MARYVILLE, MISSOURI, FRIDAY, FEB. 7, 1913. NO. 214.

## FOR CITY OFFICES

SUITE OF ROOMS MAY BE RENTED FOR THAT PURPOSE.

## ALSO ROOM FOR COUNCIL

**As Members Think City Hall is Unsafe —Several Buildings Being Considered.**

At a special meeting of the city council held Thursday evening, there was a movement started to rent a building for the purpose of having all city officials located there. The council seems to be in favor of the plan, and probably at the regular meeting of the council this Friday evening some action will be taken favorable to the proposition. Several buildings are being considered.

There has been talk for some time of the city renting a number of office rooms that were together, so that all city officials could be found there. For instance, there will be an office for the mayor, the city collector, the marshal, the city attorney, the city clerk, and the superintendent of the city's water plant.

Many of the members of the council are also in favor of renting another room with these office rooms as a meeting place for the council. They don't think the city hall is a safe place for council meetings, and all they would have there would be the fire team and wagon and the city jail.

At the meeting Thursday night John Kane was granted a saloon license.

The regular monthly meeting of the council will be held this Friday evening. The white way proposition will come up at this time, and it is understood that enough money is raised to light the business district of the city with this new system of lighting. There will also be the monthly reports of the city officers, and the allowing of the bills against the city.

### DEATH OF JAMES GRAVES.

**Well Known Resident of Near Burlington Junction Passed Away Thursday at Midnight**

James Graves, a well known farmer living five and a half miles east of Burlington Junction, died at 12:30 o'clock Thursday night, after an illness of two weeks.

The funeral services will be held at 11 o'clock Sunday morning at the family home. The services will be directed by the Masonic lodge of which the deceased was a member. Burial will take place in Ohio cemetery.

Mr. Graves was a native of Ross county, Ohio, where he was born December 13, 1851. In 1868 he moved to Stark county, Illinois, where he was married later to Miss Eva Dixon. They came to Nodaway county, Missouri, in 1877, and settled in the neighborhood in which he died. Mr. Graves is survived by his wife and the following children: John Graves, Mrs. Maude Mitchell, Mrs. Lydia Parks of near Burlington Junction, Mrs. Nellie Hornbuckle of near Pickering, Miss Bertha Graves and Carl Graves, at home.

Mr. Graves also leaves two brothers and two sisters: John R. Graves and Mrs. Rachel Graves of near Burlington Junction, Thurman Graves of Cook county, Wyoming, and Mrs. Mary Walliker of Clinton, Ia.

### COMPLETED ITS WORK.

**Big Steam Dredge on Nodaway River Drainage Ditch, Now at Quitman.**

According to this week's Burlington Junction Post the big steam dredge which has been engaged the past two years in digging a new channel for the Nodaway river completed its work late Thursday evening and the machine will be taken apart and placed near the Burlington right of way at Quitman. It will remain there until another contract for its use is secured, when it will be loaded on the cars and shipped to its new field of labor. It will require several days to dismantle the dredge and haul it the short distance to the Burlington tracks.

### Visitors From Wyoming.

Mrs. Alva Hanna and Gladys Hanna of Sheridan, Wyo., arrived in Maryville Thursday and will spend a month in Maryville, guests of Mr. and Mrs. Harry Whitney and family. Mrs. Hanna is a sister-in-law of Mrs. Whitney. Mrs. Hanna came at this time to place her daughter under the care of Dr. F. M. Martin for heart trouble, with which she is afflicted.

**Latest Postcards 1 cent each at Crane's**

### JUMPED ONTO TEACHER.

**Prof. John Davis of Elmo and Claude Pruett and Clarence Tibbett in Fight in School.**

There was a disturbance at the Elmo school house on Wednesday afternoon, and two boys, Claude Pruett and Clarence Tibbett, were arrested on a charge of disturbing the peace. They pleaded not guilty and were bound over to the February term of circuit court, so it is said.

The trouble is said to have started in the library, when Prof John Davis entered that room during recess and slapped one of the boys for making a sassing remark to him, and at this both of the boys jumped onto the professor. None of the parties were badly hurt, and Prof. Davis sustained a dislocated thumb and sprained his wrist. No other injuries are reported.

### JOHN MOORE DIED IN PUEBLO.

**Body Will Be Brought to Maryville for Burial in Miriam Cemetery—Services Monday Noon.**

Mr. J. E. Bailey of the Maryville Furniture company received a telegram Friday afternoon from Pueblo, Col., saying that John Moore, a former well known resident of this city, had died there and that his body would be brought to Maryville for burial. Services will be held at the cemetery Monday noon.

Mr. Moore had been living with his daughter, Mrs. Louella Woodard of Pueblo, since the death of Mrs. Moore last summer. The other children surviving are Charles Moore of Maryville, Sylvester Moore of Kansas City and Mrs. Belle Russell of Seattle, Wash.

### DEATH NEAR GUILFORD.

**Mrs. Mattson, a Native of Sweden, Died Friday Morning at the Home of Her Son.**

Mrs. Elsa Mattson died Friday morning at the home of her son, Henry Mattson, six miles northeast of Guilford. The deceased was nearly 83 years of age. Her death was caused by grip and complications.

The funeral services will be held Saturday morning at 11 o'clock at the M. E. church, South, in Guilford, conducted by the pastor, Rev. S. E. Hoover of Ravenwood.

Mrs. Mattson was born in Sweden in 1830. She came to this country in 1892. She was a member of the Lutheran church. She is survived by four children—Henry and Samuel Mattson and Mrs. John Anderson of near Clyde; Mrs. R. G. VanHorn of Oklahoma City, Okla. Another daughter, Mrs. Samuel Nelson, is deceased.

### HAS ODD AND RARE COINS.

**C. B. Zarn of Burlington Junction Has a Collection That is Hard to Beat.**

Several of our exchanges have been telling of rare and ancient coins, the property of some of their readers who have a hobby of making collections of the pieces, but we believe that Burlington Junction's prominent merchant, C. B. Zarn, possesses a collection that will make them all sit up and take notice.

Mr. Zarn has been making a collection of coins for twenty-five years and in that time he has secured pieces of money from almost every country in the world. His collection comprises over 800 pieces and an attempt to unravel some of the characters would soon drive you into a state of mind very much resembling the "jimmies." Among his collection are the following: $3 gold piece, a dollar made in 1798, a penny of the same date, a ½ cent piece date 1803, "shin plasters," and paper money—about twenty different kinds of U. S. coins.

Then he has coins from all of the following countries, in some cases several different pieces: Greece, Mexico, The Netherlands, Algiers, Tripoli, Borneo, Haiti, Labuk, Argentine, Isle of Gurnsey, Austria, Sweden, Madagascar, Portugal, Venzuelt, Chili, South Africa Republic, China, Domnicana, East Africa Germany, Brazil, Norway, Paraguay, Canada, Hongkong, Denmark, Belguim, India, Persia, Japan, United States of Colombia, Russia, Confederation of Helvetians, Luxumburg, British East Africa, Switzerland, Guatemala, Vatican, French Republic, Sicily, Turkey, Italy, Empire of France, Peru, Hawaii, Spain, Philippine American, Philippine Spanish, Hondura Republic, Salvador, New Foundland Great Brittian, Arabia, Germany, Prussia, Unknown, United States, Camdodge, Grivua Town.

This list is composed of pieces from 60 different countries and we wish to hear from some one who can show as good or a better one. Thumbs down! Who can beat it?

## THE CITY LOST OUT

**A $100,000 ENTERPRISE WILL LOCATE IN BURLINGTON JUNCTION.**

## DIDN'T HAVE WELLS

**So Supply of Water for a Milk Condensing Plant Could Not Be Had Here, So Had to Go Elsewhere.**

Maryville lost a $100,000 enterprise this week when it was found out that the city did not have a well supply of water to furnish to the enterprise 250,000 gallons a day. It was the Helvetia Milk Condensing Co., which is going to establish a plant in this part of the country somewhere.

Louis Latser, president of the company, was in Maryville Wednesday and Thursday of this week, looking over conditions. He was well pleased with the city and would like to locate a plant here, but the fact that he couldn't get sufficient well supply made him decide that it would be best to go to another place.

Burlington Junction stands a good show to land the plant, as Mr. Latser found that he could get the well supply of water there. Within thirty days or so, the board of directors of the condensing company, and a number of experts will visit Burlington Junction to examine thoroughly into conditions there, and if everything is satisfactory, the plant will be built there.

The Milk Condensing company is to build a $100,000 plant, and will start to work with 25 men. When in full running capacity, it will take 100. It is necessary to get the milk from 1800 to 2000 cows.

The central plant of the company is located at Highland, Ill., and the company has plants in Wisconsin, Michigan, Kansas and a few other states.

### GAMES TONIGHT.

**Amity Girls and Men's Team to Play Normal Girls and Men's Team.**

The Amity college basket ball team and the college girls' team, accompanied by their coach, a chaperone and several rooters, arrived in the city this morning for two games tonight with the Northwest Normal teams. The girls' game will be played first and starts at 8 o'clock, which does not mean 8:30 but just 60 minutes after 7.

Below are the line-ups which will start the games:

Amity girls—F. Stitt and Celer, forwards; Johnson and McKee, centers; B. Stitt and McKeighan, guards.

Normal girls—Hoffman and Abplanalp, forwards; Rickenbrode and Hotchkiss, centers; Gibler and Thompson, guards. Van Buren, Chappel, Caudle and Hanna, subs.

Amity college—Hawthorne and Beckwith, forwards; Wilson, center; Luhr and Milhone, guards.

Normal—Vandersloot and Daise, forwards; Perrin, center; McClintoch and Seymour, guards.

### Indiana Visitors Leave.

Mr. and Mrs. Charles Long and Miss Jeannette Long of Lafayette, Ind., who have been guests at the home of Mr. and Mrs. J. T. Linville several days, left Thursday evening for San Antonio, Texas, for a visit with friends, when they will go to Artesia, N. M., to visit Mrs. Long's brother, George T. Anderson. Mrs. Long is a niece of Mrs. Linville.

Mrs. E. O. James and son of Elmo arrived Friday for a few days' visit with her parents, Mr. and Mrs. M. C. Hopper.

**We Will Sell for**

**CASH ONLY**

**Those owing us will please call and settle.**

**H. T. CRANE**

## WHITE WAY SURE

**NEW SYSTEM OF LIGHTING BUSINESS SECTION IS NOW ASSURED.**

## WILL BE FOR 10 BLOCKS

**Property Owners Agreed to Pay for Installation of Posts and Lights, and City to Pay for Juice.**

The white way for the business section of Maryville is now a sure thing, and all that remains is for the city to ratify the Commercial club proposition, which will be done at the council meeting to be held this evening.

The white way system is to be for ten blocks, and costs $4,500 to install it, the property owners paying for the installation. According to terms the city made last December, if the property owners would pay for the installation the city would pay for the juice, so the city will not have to come through.

The white way will extend from Dr. F. M. Martin's office, on South Main street, to the Curfman lumber yard, on North Main street, and then around the court house square, then one block on West third street from Main, and a half block on Fourth street from Main. The county court is to pay for the installation of the posts around the court house square.

Posts similar to those in front of the Empire theater will be used, and for three blocks on Main street and around the square the five-lights will be used, and in the other blocks the three lights. All of the lights are to be on every evening in the year up to midnight, then one light on each post for the rest of the night.

### MEN'S FELLOWSHIP DINNER.

**Many in Attendance at the Affair at the Buchanan Street Methodist Church Thursday Evening.**

The men's fellowship dinner at the Buchanan Street Methodist church on Thursday evening was a great success and was well attended. The dinner was served in the Sunday school rooms of the church, and there were sixty-four diners. A four-course dinner was served, and music was furnished by Miss Alma Nash's orchestra. The Normal quartet also gave two numbers.

Dr. H. K. Taylor presided as toastmaster. Others who made talks on Fellowship" were Rev. J. D. Randolph, Floyd Brown, Prof. V. I. Moore, J. H. Thorp, J. S. Muntz, A. T. Stinson, Prof. L. M. Eek.

The fellowship committee of that church is composed of M. A. Peery, J. S. Muntz, A. T. Stinson, J. H. Thorp, L. E. Carpenter, J. H. Porter, Floyd Brown, H. K. Taylor and V. I. Moore.

### FOUR MILES TO SCHOOL.

**Three Guilford Students Walked That Distance to School Every Day.**

Misses Elsie Kent, Golda Horton and Nettie Horton, all living about four miles northwest of Guilford, are attending school at Guilford this year, and are walking that distance to get to school. They have not missed more than four or five days this year.

### YOUNGER RESIDENCE SOLD.

**O. A. Simmons of Atchison, Kan., Purchased Property for $3,800 Under Trustee's Sale.**

The $5,000 bungalow and a corner lot of Joseph A. Younger, the Elmo financier, was sold Friday afternoon at trustee's sale by Joseph Jackson, Sr., trustee, to O. A. Simmons of Atchison, Kan., for $3,800.

### Returning to Oklahoma.

Charles Willson of Muskogee, Okla., who has been in the city several weeks with Mrs. Willson, on account of the illness of her father, C. L. Wright, went to Barnard Thursday evening to spend a few days with his mother, Mrs. Edith Willson. If Mr. Wright continues to improve as he has been doing for several days, Mr. Willson will return to Oklahoma the first of the week.

**Alderman Dry Goods Co.**

**Big Remnant Sale**

**Saturday, Monday and Tuesday.**

### TOURNAMENT CLOSED.

**Normal Was First, Pirates Second, High School Third, With Business College Third.**

**Final Standing of the Teams.**

| | Won. | Lost. | Pr.ct. |
|---|---|---|---|
| Normal | 9 | 0 | 1.000 |
| Pirates | 5 | 4 | .555 |
| High school | 4 | 5 | .444 |
| Business college | 0 | 9 | .000 |

In the closing games of the city basket ball tournament Thursday afternoon at the Normal gymnasium the Pirates edged into second place by beating the high school five 21 to 18, and the Normals romped away from the Business college men, counting 64 to their opponents 7. The battle between the buccaneers and the highs was a scrap for second place, and the contest had all the earmarks of a sure-enough basket ball game. Owing to their recent brilliant showing the Pirates rather expected to win by a decided score, but before the game had progressed many minutes it was evident that the final count would be very close. The first half ended 7 to 7, but the Pirates started strong in the final period and got an eight point lead before the high school men could get together. With the count 21 to 14 against them, the highs began a great uphill fight, and probably all that saved the Pirates the game was the timer's whistle.

With the score in Normals' favor 54 to 1, Coach Moore sent in the second squad against the collegians for the last ten minutes of play, and they counted ten more while the losers got six. The line-ups:

Pirates—Eek and Wray, forwards; Hoffman, center; Carpenter and Gault, guards.

High School—Leech and Murray, forwards; Thompson, center; David, Willson and Scott, guards.

Summary—Field goals, Eek 3, Hoffman 3, David 2, Murray, Leech, Thompson, Carpenter. Free throws, Eek, 6 out of 9; Leech, 5 out of 9; Thompson, 2 out of 5.

Normal—Vandersloot and Daise, forwards; Perrin, center; Seymour and McClintoch, guards. Johnson, Hanna, Lamar, Strader, Taylor, Britain, Woodward and White played in second half.

Business college—Carter and Bailey, forwards; Brown, center; Castillo and Rhodes, guards.

Summary—Field goals, Perrin 9, Vandersloot 6, Daise 6, Seymour 6, Johnson, Lamar, Strader, Carter, Castillo. Free throws, Vandersloot 4, Carter 2, Castillo, Hanna, Britain.

The tournament, which closed Thursday, has been a success in every way. Not to be outdone by a number of other organizations of the city, the directors of the city league are planning for a big banquet to be given to the players who participated in the tournament. The eats will probably be served some night next week.

### SPOKE IN EXCELSIOR SPRINGS.

**F. H. Shepherd of the Northwest Normal Presenting Manual Training to Public School.**

Frank H. Shepherd of the manual training department of the Northwest Normal, is giving an illustrated lecture Friday afternoon in Excelsior Springs on manual training in the public schools.

Superintendent Beswick of the Excelsior Springs schools, in arranging for the lecture, wrote.

"In the past the teachers have been given two days each year to visiting other schools. This year we are going to spend the money it costs the teachers for these visits in employing educators to address us on current educational topics. The board will add to this money the sum they have had to pay for substitute teachers. With this fund it is hoped to benefit our schools and teachers more than by our past methods of school visits."

### CASE IN PROBATE COURT.

**Harriett Johnson Suing Estate of Joseph A. Johnson for $304.40, Received $235 From Jury.**

The case of Harriett Johnson vs. the estate of Joseph A. Johnson, Ellis G. Cook, administrator C. T. A., for $304.50 for lodging and board for her brother-in-law, was on trial in probate court Friday morning before a jury. M. E. Ford represented the defendant and S. E. Brown of Hopkins the plaintiff. The jury returned a verdict for the plaintiff for $235. An appeal will be taken to the circuit court.

Mrs. H. E. Young, who has been in Maryville several weeks, at the home of her sister, Mrs. Emma Cloud, on account of the sickness and death of her mother, Mrs. Elizabeth Wallace, returned to her home in Kansas City Friday morning.

## SUFFRAGETTES WIN

**FAVORABLE REPORT FOR SUBMISSION OF AMENDMENT.**

## THE COUNTY UNIT BILL

**To Pass House, But is Doubtful in the Senate—Favorable Report on Craig's Bill.**

Jefferson City, Feb. 7.—The suffragettes took the legislature committees by storm last night and won before the battle was fairly opened. It was a surrender without terms on the part of the lawmakers and was entirely unexpected.

Both the senate and house equal suffrage amendments will be reported favorably today. The vote of the senate committee was unanimous. One member of the house committee asked to be recorded as voting no, but his name was not announced.

The suffragettes are happy, but rather disappointed that they won so easy a victory. Not one-fifth of their orators had spoken, and everyone had settled down for a long siege when President Pro Tem. Wilson of the senate asked leave to make a motion.

He said there was no use in wasting any more time of the senate committee in asking it to do what was right, and he moved that the Craig amendment be reported favorably. Senator Gardner of St. Louis county seconded the motion, and it carried without a dissenting vote. The house committee vote followed immediately and before half the big audience knew what was going on the joint meeting adjourned.

The resolution is for the submission of the suffrage amendment to be voted on in 1914 in Missouri, allowing women to vote.

### County Unit Bill to Pass House.

The "wets" were knocked out in an all day's battle with the "drys" on the floor of the house yesterday. When the hours of oratory and bitter verbal fights and shrewd maneuvering was over the county unit bill, which the drys say will make all Missouri dry in a few years with the exception of Kansas City, St. Joseph and St. Louis, had been sent to engrossment. The "wets" did not even ask for a roll call, so thoroughly had they been whipped by the "drys" on the other test votes of the day.

The bill will come up for final passage in the house Monday. It is certain to be passed. So large a majority have the "drys," so the test votes today developed, they can pass about any bill they please in the house. The "wet" leaders tonight are in a panic. They wonder if the "wets" of the senate can defend the "bridge" safely, as they have in years past.

The county unit bill provides that in the future all counties shall vote as a unit on local option. The results of the local option fights show that every county, with the possible exception of Pettis, outside the three cities, would go dry if the voters cast their ballots as they have done in the past.

### Craig's Bill Favorably Reported.

Senator Craig's measure providing that women are eligible to election as school directors, was favorably reported. The bill was amended by the committee so that it applies only to rural schools. As originally drawn, cities were included in its provisions.

### THE WEATHER

Fair tonight and Saturday; not much change in temperature.

I hereby announce myself as a candidate for tax collector of White Cloud township, subject to the decision of the Democratic township nominating convention. RUFUS CAREY.

## FARMERS' CLUB PRACTICAL.

**Successful Organizations in Existence a Half Century.**

A well-managed farmers' club is the most helpful, inspiring and useful institution in any community. It does a work with which no other organization can compare, for it leads not only directly to better farming methods, but to a closer social intercourse which is greatly needed in the country.

There are thousands of farmers' clubs scattered throughout the country and generally they act independently of each other. There is no central organization. Each club is organized in accordance with the ideas or whims of its members, but all have the same general aim in view—improving conditions of their homes and the community, says Farm and Home. Some very successful clubs have been organized for over fifty years and are limited in membership.

There are several of these clubs in the east with a membership of twenty to twenty-five members and their wives. A committee on membership recommends a farmer when there is a vacancy, his name is then forwarded to each member, and at the next meeting a secret ballot is taken which must be unanimous. This is done to insure the election of those who are likely to prove congenial with the other members, for in such an organization the social features play an important part.

Most farmers' clubs have no limit to their membership, or else their limit is so high that all the farmers of a community can join.

## Communicatons

**Against County Advisor.**

Editor Democrat-Forum: I will write some of my versions as to a county advisor for farmers. Who is it that is clamoring for such an officer and why so much interest? Has not any up-to-date farmer all of the experiment stations and all farm papers that discuss all of the subjects of interest to farmers? How are you going to get a farmer to take his advice when he has been farming and sees all of his neighbors beating him all the time and will not take heed. The piece in your issue of February 3 sounds very nice in the paper, but you cannot make any set rules on general farming, owing to the varied conditions of the weather. A rule that will work one year might not work the next, and as for testing seed corn, any inteiligent farmer can test his corn at home and know just how it is. Another thing, if one million bushels of corn is worth one-half million dollars, it does not follow that one and a quarter million bushels would increase the value to the producers in like amount. It might be worth less money in the first hand. Just a few years ago when farmers had but little left, we heard the cry of overproduction, now the other ox is gored. The farmer is not receiving too much for his products. In most instances he has something left for himself. Have we not had the advice of the tobacco raisers and cotton raisers when the price received would not pay for production? I am sure the farm advisor would attend all picnics and would always be ready for the noonday spread, for that is never lacking at a farmers' picnic. As to hog cholera, have we not the experience of all the past, and if anything new comes won't the hog raisers find it out as soon as it is effective? Through an advisor, if he is going to be of so much value, let the ones that want him so bad put up the wherewith, and after he has done so much good I do not think the county is doing justice by using the fund in that way. Better put it on the bridges over the county.

H. T. PISTOLE, Hopkins.

**Was Not a Vote of 5 to 1.**

Skidmore, Feb. 6.—Editor Democrat-Forum: I see in your Tuesday's paper an account of the meeting of the Graham Mutual Line Telephone company and that they voted 5 to 1 in favor of incorporation, which is a mistake or a report to mislead. I was present at the meeting and 86 voted for and 45 against incorporation, and there are 245 on the different lines. If they can make that 5 to 1 I do not know how they count. There is a very strong feeling against consolidation by a great many of the owners of the lines. They are hardly willing for their property to be forced away from them.

JAMES H. LINVILLE.

**Amoma Class Market Saturday.**

The Amoma class of the First Baptist church Sunday school will hold a market at Price & McNeal's store all day Saturday. There will be lots of good things to eat for your Sunday dinner, and there will be some articles of fancy work for sale, too. 6-7

## News of Society and Womens' Clubs

**Saw David Belasco's Comedy Triumph.**

Mrs. Charles S. Jackson and Miss Elise Jackson, Mr. Louis DeHart and Miss Mabel Martin attended the production of "The Concert," David Belasco's comedy triumph, at the Lyceum theater in St. Joseph Thursday evening.

**Installation and Banquet.**

The annual installation and banquet of Sedgwick post, No. 21, G. A. R., will take place this Friday evening. The installation will take place in the G. A. R. hall, while the banquet will be given at the Ream hotel. Members of the G. A. R. and their wives, and members of the Woman's Relief Corps and their husbands are invited to attend.

**A Quiet Wedding.**

Miss Eudora Cooper of Bolckow and Mr. Chester Irving Hartman of Great Falls, Mont., were united in marriage Thursday evening, February 6, at 7:30 o'clock, at the home of the bridegroom's parents, Mr. and Mrs. G. A. Hartman, 620 East Fourth street, the Rev. J. L. Jones of this city officiating. Only near relatives of the bride and groom were present. Mr. and Mrs. Hartman will remain in Maryville for the present, owing to the illness of Mr. Hartman's mother. They will make their home at Great Falls. Mr. Hartman is an engineer on the Great Northern railway.

**Palestine Aid Society.**

The Ladies' Aid society of the Palestine church, twelve miles southwest of Maryville, met Thursday afternoon at the home of Mrs. John Gex. The afternoon was spent in sewing and comfort tacking. Refreshments were served and all enjoyed a most delightful afternoon. Mrs. Will A. Burris was the guest of the society. The members present were Mrs. Peter Brown, Mrs. Henry Anderson, Mrs. Jacob Shockley, Mrs. James Pool, Mrs. John Neal, Mrs. Theodore Snowberger, Mrs. Dick McDowell, Mrs. Gaylord Dilts, Mrs. Wilson Ellsworth, Mrs. Clarence Charles, Mrs. Will Mountjoy, Mrs. Will Gex, Mrs. Lawrence Talbott, Mrs. Wesley Moody, Miss Minnie Farmer.

**Domino and Valentine Party.**

Misses Maud and Grace DeMotte entertained Thursday evening at the home of their parents, Mr. and Mrs. N. S. DeMotte, in honor of their guest, Miss Ruth Keplar of Jameson, Mo. About thirty guests were occupied with playing progressive dominoes the first part of the evening, when a luncheon was served, after which the auctioning of valentines gave much merriment until time to go home. The girls were assisted in entertaining by their mother and their sister Miss Dorothy DeMotte, and Miss Stella Hurst of Elmo. The out-of-town guests, aside from the honor guest, were Mr. Raymond Watson, superintendent of the high school of Bolckow; Mr. Earl Vickery and Mr. Ambrose of Arkoe.

**Surprise for Lawsons.**

A very enjoyable party was given at the home of Mr. and Mrs. Bige Lawson Saturday evening. They will soon move to their new home in Harmony neighborhood and will be greatly missed by their old friends and neighbors here. A supper of fresh oysters and pickles was served. Those present were Mr. and Mrs. Charles Garrett, Mr. and Mrs. Ollie Patterson, Mr. and Mrs. T. A. McDowell, Mr. and Mrs. Ed Babb, Mr. and Mrs. Joseph Patterson, Mr. and Mrs. Al Taylor, Mr. and Mrs. Winfield Scott, Mr. and Mrs. John Griffey, Mr. and Mrs. Guy Haller, Mr. and Mrs. Ernest McDowell, Mr. and Mrs. Wm. Osborn, Mr. and Mrs. John Halasy, Mr. and Mrs. Wm. Hughes, Mr. and Mrs. Maurice Brennan, Mr. and Mrs. Elihu Shell, Mr. and Mrs. Alonzo Hughes, Mr. A. J. Kinsley, Mr. Henry Shell, Mrs. Brice Hall, Misses Lyda Onstott, Florence and Letha Lawson, Edna Garrett, Letha and Edith Patterson, Claudine Hughes, Gladys and Lucile Lawson, Irene Leta and Dorothy Babb, Nellie and Crystal Hall, Lora McDowell, Mabel Patterson, Messrs. George, Howard and Robert Patterson, Lester Wiley, Marshall Sybert, Lester, Morton and Dale Babb, Cecil and Glen Lawson, Don and Eugene Hall, Dale and Robert Hughes, John Brennan, Willie Garrett, Perry Onstott.

**Penelope Club Party.**

The Penelope club entertained its husbands and a few friends with a progressive domino party Thursday evening at the home of Mr. and Mrs. Charles McNeal, which proved one of the most successful affairs the club has given. The rooms were attractively decorated in red and white hearts, emblematic at St. Valentine's day and the tally cards for the games were valentines. After the games, the valentine boxes were opened, one for the ladies and one for the gentlemen, and not one of the guests was slighted by the old Saint, who gave each the sort of valentine that would prove most beneficial to them. Some excellent piano music was given throughout the evening by Mr. Harold Van Steenbergh and Miss Avis Pinnell a niece of the hostess. A three course luncheon was served. The guests were: Mr. and Mrs. G. A. Van Steenbergh, Mr. and Mrs. H. J. Van Steenbergh, Mr. and Mrs. R. S. Braniger, Mr. and Mrs. T. H. Cook, Mrs. J. F. Cook and her niece, Miss Willard, and Clarence Cook, Mr. and Mrs. Omer Catterson, Mrs. Gallatin Craig and her guest Mrs. S. H. Townsend, Mr. and Mrs. F. C. Conrad, Miss Nell Conrad, Mr. and Mrs. Frank Bolin, Mr. and Mrs. R. H. Duncan, Mr. and Mrs. J. D. Ford Mr. and Mrs. John Herron, Mr. and Mrs. O. L. Holmes, Mr. and Mrs. N. F. Hopper, Mr. and Mrs. Leroy Johnson, and their daughter, Mrs. Rufus Ringgold and daughter, Valta of Hopkins, Mr. and Mrs. J. E. Melvin Mr. and Mrs. John Price, Mr. and Mrs. J. M. Smith, Mr. and Mrs. S. J. DeArmond, Miss Lora Stockton, Mr. John Keffler, Mr. and Mrs. S. J. Pinnell, Miss Avis Pinnell, the host and hostess and Harold McNeal.

EDWARD E. WILLIAMS, Cashier

We appreciate your business and have a bank book waiting for you.

GEORGE B. BAKER,
GEORGE S. BAKER,
EDWARD E. WILLIAMS,
BURT M. ROWLEY.

**A Good Bill.**

Those interested in rural schools regard senate bill 122 as very important. It provides that when a school district has levied the maximum amount provided by law, and that amount fails to yield enough to run an eight months' school, and pay a teacher a salary of $40 a month state aid may be asked to make up the deficiency. County superintendents regard this as a matter of great necessity in order that students at district schools may be given a fair opportunity for an education.

Mr. and Mrs. Elmer Noble of Darlington, who have been visiting at the home of Walter Combs, returned home Friday.

**No Preaching at Wilcox.**

Owing to the fact that Rev. Marston DeWitt, pastor of the Southern Methodist churches at Barnard and Wilcox, is engaged in a revival meeting at Mt. Pleasant church, northwest of Barnard, he will be unable to fill his appointment with the church at Wilcox the coming Sunday.

**STOMACH GONE BAD SOUR, GASSY, UPSET?**

**When "Pape's Diapepsin" Gets in Stomach all Indigestion Goes.**

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain remedy in the whole world and besides it is harmless.

Millions of men and women now eat their favorite foods without fear—they know now it is needless to have a bad stomach.

Please, for your sake, get a large fifty-cent case of Pape's Diapepsin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of rebellion in the stomach.

Diapepsin belongs in your home anyway. It should be kept handy, should one of the family eat something which doesn't agree with them or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night it is there to give the quickest surest relief known.—Advertisement.

Mrs. A. E. Pantry and children of Lenox, Ia., arrived Thursday evening for a short visit with her mother, Mrs. E. Y. Shinabargar.

When in St. Joseph stop at Hotel Ryan (European), 313 South Sixth street. Steam heated. Rooms 50 cents to $1.00 per day.

**Valentines**

We have the largest stock of these beautiful remembrances this year we have ever carried. We have all kinds from the cheap grades up to the very nicest ones made. Valentine postcards in profusion. We have the hand painted valentines at prices not much greater than most stores are selling the ordinary stock kind, and they were made especially for us. By all means see them.

# ALLIES MAY REACH STRAITS

## Main Object of Bulgarian Army Disclosed at Sofia Offices.

## GREEKS TO ATTACK CAPITAL.

**Turkish Army Is Reported to Have Suffered Defeat at Gallipoli and to Be Retreating in Disorder to Bulair. Bulgarians in Pursuit.**

Sofia, Feb. 7.—The main object of the Bulgarian armies, apart from the reduction of the fortress of Adrianople, was disclosed in dispatches given out by the war office. The plan is to reach the Dardanelles straits and clear them for the passage of the Greek fleet into the Sea of Marmora. Then the Greeks will attack Constantinople directly from the sea.

From reports of the fighting to the north of the peninsula of Gallipoli it can be seen that one of the columns of King Ferdinand's troops is marching straight for the city of Gallipoli. It has occupied already the villages of Medeste, Charkeui, Kavak and Bulair, which are on the neck of the pensinsula. It has not yet, however, come in contact with any large force of Turkish troops, of which there are said to be 70,000 in the Gallipoli peninsula. These, in the opinion of military experts, should be able to offer a strenuous resistance to the advance of the Bulgarians from the north. The guns of the Dardanelles forts also can be trained toward the land side. On the whole, the Bulgarians have a severe task before them.

The Turkish army occupying the peninsula of Gallipoli and defending the Dardanelles suffered a defeat at the hands of the Bulgarian troops to the south of the River Kava, according to a statement by the Bulgarian war office.

The Ottoman troops are said to be retreating in disorder toward the town of Bulair, a small place to the northeast of the city of Gallipoli. They are pursued hotly by the Bulgarians.

The statement concludes that as the result of this success of the Bulgarian troops the whole coast of the Sea of Marmora as far as Bulair is now in the hands of the Balkan allies.

## FORM BIG BUYING COMBINE

**Department Stores to Consolidate Their Purchases.**

St. Louis, Feb. 7.—Announcement was made here that department stores in many large cities of the United States have organized the American Department Stores' corporation, to consolidate their purchases and thereby get low prices from the manufacturers. The wholesaler is to be eliminated as far as the stores in the corporation are concerned. The stores in the new company have an aggregate purchasing power of more than $75,000,000 annually. J. B. Shea of Pittsburgh has been elected president of the corporation, which will be capitalized at a nominal amount and chartered in New York.

Among the cities that have a store in the corporation are St. Louis, San Francisco, Boston and Pittsburgh. Negotiations are in progress for the admission of stores in Chicago and New York, and later stores in smaller cities will be taken in.

## MRS. HELD INOCULATED

**Pittsburgh Physician Tests Serum Discovered by Dr. Friedmann.**

Pittsburgh, Feb. 7.—Dr. Austin B. Held, a local physician, arrived home from Berlin, bringing with him the tuberculosis serum discovered by Dr. Friedmann. A short time after reaching here Dr. Held inoculated his wife. Dr. Held announced that he was unable to get a single treatment from the discoverer, Dr. Friedmann, but said he procured the serum from Dr. Piorkowski, said to be a well known bacteriologist in Europe.

**Russia Bars Women Lawyers.**

St. Petersburg, Feb. 7.—The duma bill admitting women to practice law in Russia was rejected by the council of the empire by 84 votes to 66. The leading Russian jurists and practically the entire liberal public opinion in Russia favored the bill. The elder generation of statesmen, headed by the minister of justice, however, pleaded eloquently and successfully against any extension of the rights of women.

**Darrow Questions Franklin.**

Los Angeles, Feb. 7.—Clarence S. Darrow directed a searching fire of cross examination at Bert H. Franklin, confessed jury "fixer," and on whose testimony the former chief counsel for the McNamara brothers is undergoing trial for the second time for alleged jury bribery. The witness denied ever having intimated that he had acted on his own initiative and not at Darrow's request.

**Negro Dies Aged 110 Years.**

Reno, Feb. 7.—Frank Baccus, a negro between 110 and 120 years old, died at the county hospital. Aged men who knew him sixty years ago, when he first came to Nevada, say he was an old man then. The negro, a giant in stature, often told of accompanying his master during the Black Hawk war in 1832. He also remembered clearly the first inauguration of Madison as president.

## JOSEPH P. TUMULTY.

**He Will Be Secretary To President Wilson; Now Private Secretary.**

Mr. Tumulty was private secretary to Mr. Wilson from the beginning of his term as governor of New Jersey in January, 1911, until November, 1912, when the governor made him clerk of the supreme court for a term of five years at an annual salary of $6,000, $2,000 more than he had been receiving. He has continued to act as private secretary to Governor Wilson without salary.

# FEDERAL PROBE INTO PRICE OF CRUDE OIL

## Seek to Discover Whether Dissolution Decree Violated

Washington, Feb. 7.—The soaring price of crude oil is being investigated by the department of justice in connection with its inquiry to determine whether the decree dissolving the Standard Oil company has been violated. The government wants to know whether any of the former subsidiaries of the trust have created situations responsible for the enormous rise and whether there is any concerted action. Information in possession of the department alleges that some of the big companies have a year's supply of crude oil in their tanks and the present high price of crude oil does not affect them, but is operating on smaller concerns.

The second warrants issued by United States Judge Meek of Dallas for the arrest of John D. Archbold, H. C. Folger, Jr., and W. C. Teagle of the Standard Oil for the alleged criminal violation of the Sherman act are believed to have reached New York by this time.

The fact that they have not been served is said to indicate that the attorney general has directed that they, like the original warrants, be withheld until he is satisfied the government has sufficient evidence to sustain a case in Texas.

## MOB EXPLODES BOMB

**Two Special Officers Injured in Strike Riot in Brooklyn.**

New York, Feb. 7.—A mob making a demonstration in the interest of the garment workers on a strike in the shops in the Williamsburg section of Brooklyn employed a bomb. Edward Hartmeat and John Hopp, two special officers guarding a shop affected by the strike, were hurt seriously by glass and scrap iron from the infernal machine. The explosian wrecked the front of the building and precipitated a panic among the operatives.

A police sergeant and five patrolmen were beaten by the mob. Reserves arrived in a patrol wagon and dispersed the strikers after a struggle, in which five men and two girls were made prisoners.

A thousand operatives returned to work in a number of shops throughout the city after remaining on a strike for more than a month. All their demands, including better pay and shorter hours of work, were granted, their leaders said.

**Mails Transmit 40,000,000 Parcels.**

Washington, Feb. 7.—Approximately 40,000,000 parcel post packages were handled in January. At the fifty largest postoffices 19,365,533 parcels were handled in the first month of the operation of the new system and the business of the last two weeks exceeded that of the first two weeks by more than 5,000,000 packages. Chicago exceeded all other cities in the number of parcels handled, its total being 4,163,153.

**Fear Ruling May Let in Coolies.**

Los Angeles, Feb. 7.—An invasion by coolie Chinese is feared by immigration inspectors as the result of a decision handed down by Judge Wellborn in the United States district court holding that a Chinese once legally admitted to the United States could engage in any occupation he desired.

**Nineteen Drown in Wreck of Schooner**

Bluefields, Nicaragua, Feb. 7.—Nineteen persons, twelve passengers and seven members of the crew were drowned when the schooner Granada was wrecked off Greytown, Nicaragua, according to advices received here. There are only two survivors.

# MORE INDIAN LAND OPENED

## Bill for Settlement of Standing Rock Reservation to President

## BUTTER CASE NOW REFERRED

**President Taft Asks Opinion of Attorney General Wickersham on Ruling as to Amount of Moisture Permissible in Butter.**

Washington, Feb. 7.—The conference report on the bill to open the Standing Rock Indian reservation to settlement was agreed to by the house. Representative Burke of South Dakota said the measure would now go to the president for his signature and that in all probability the registration for drawings would be held this fall and the entries on the land made next spring.

The senate committee on public lands favorably reported Senator Gronna's bill to give full patents to settlers on coal lands in cases where the lands had been found to be non-coal in character.

The president has agreed to submit to the attorney general the question of the interpretation of regulation of the internal revenue office governing the sale of adulterated butter. This is done at the request of many Iowa members, as well as members from South Dakota, North Dakota, Minnesota and Wisconsin.

## SENDS SPECIAL MESSAGE

**President Taft Advocates Building Two Railway Lines to Alaska.**

Washington, Feb. 7.—Alaska's vast resources can be be brought within reach of the world, in the opinion of President Taft, by the construction with government assistance of two railway lines from the Alaskan coast to the interior, ownership of which shall be vested in the government, but which shall be operated by private parties under lease.

In a special message transmitting to congress the report of the Alaskan railway commission, the president strongly urged legislation along these lines, asking that the government either guarantee the principal and interest of bonds necessary to build the roads or construct them.

"I am very much opposed to government operation, but I believe that government ownership with private operation under lease is the proper solution," wrote the president.

## INSPECTOR IS SUSPENDED

**Three New York Police Captains Also Under Suspension.**

New York, Feb. 7.—Dennis Sweeney, inspector of police, was suspended from the New York police force by Commissioner Waldo. His name had been mentioned in the graft confession made by Police Captain Thomas Walsh, likewise suspended.

With Sweeney were suspended two police captains—James Hussey and James F. Thompson. Each has formerly been an inspector of the district over which Sweeney ruled, but were demoted to captains. Walsh's story will be presented to the grand jury Monday, when District Attorney Whitman will ask for indictments.

## BEACH CASE TO JURY

**Millionaire Says His Wife Was Attacked by Negro.**

Aiken, S. C., Feb. 7.—The jury of Aiken county farmers, before which Frederick O. Beach, the New York society man, was tried on a charge of assaulting his wife, is now deliberating upon its verdict.

Beach took the stand and swore that he did not commit an assault upon his wife. Mrs. Beach also testified that her husband did not assault her. Both blamed an unidentified negro for the crime.

**Legislators Hear Anna Shaw.**

Jefferson City, Mo., Feb. 7.—Both houses of the Missouri legislature took a recess of thirty minutes while Dr. Anna Shaw spoke on woman's suffrage. The address was the formal opening of the campaign for woman's suffrage. The advocates of the ballot for women are asking the legislature to submit a suffrage amendment to the voters in 1914.

**Wilson Begins Inaugural Address.**

Princeton, N. J., Feb. 7.—President elect Wilson walked unaccompanied by secret service men from his home to the Princeton university library to work there upon his inaugural address. Mr. Wilson sat inconspicuously in the conference room of the library sketching in shorthand the first draft of his address.

**Pension Checks Mailed on Time.**

Washington, Feb. 7.—The first checks paid to pensioners under the new system, which did away with the eighteen agencies in various parts of the country, uniting them here under one head, have just gone out and every one of the more than 300,000 due this month were in the mail on time.

**Fears Father Lost on Arizona Desert**

St. Louis, Feb. 7.—Perry W. Mader of this city left here for Arizona to search for his father, Leslie Mader, fifty-five years old, who, it is said, is lost on the Arizona desert.

# SURELY TAKE "SYRUP OF FIGS" IF HEADACHY, BILIOUS, CONSTIPATED

**SWEETENS YOUR STOMACH, CLEARS YOUR HEAD AND THOROUGHLY CLEANSES YOUR LIVER AND 30 FEET OF BOWELS OF SOUR BILE, FOUL GASES AND CLOGGED-UP WASTE.**

All those days when you feel miserable, headachy, bilious and dull are due to torpid liver and sluggish bowels. The days when your stomach is sour and full of gas, when you have indigestion; the nights when your nerves twitch and you are restless and can't sleep could be avoided with a teaspoonful of delicious Syrup of Figs. Isn't it foolish to be distressed when there is such a pleasant way to overcome it?

Give your inactive liver and ten yards of waste-clogged bowels a thorough cleansing this time. Put an end to constipation.

Take a teaspoonful of Syrup of Figs tonight, sure, and just see for yourself by morning, how gently but thoroughly all the sour bile, undigested fermenting food and clogged up waste matter is moved on and out of your system—no nausea—no griping—no weakness.

You simply can't have your liver inactive and your thirty feet of bowels constipated with sour, decaying waste matter and feel well. The need of a laxative is a natural need, but with delicious Syrup of Figs you are not drugging yourself. Being composed entirely of luscious figs, senna and aromatics it cannot injure.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna." Refuse, with scorn, any of the so-called Fig Syrup imitations. They are meant to deceive you. Look on the label. The genuine, old reliable, bears the name, California Fig Syrup Company.—Adevertisement.

---

Miss Margaret Hopper, who has been at her home in this city for two weeks, on account of the closing of her school in the Mt. Tabor district for a case of diptheria, will resume her work Monday morning.

## FOR SALE

One mile north of the K. C. Depot. Farmers phone 3-11.

Mrs. Harley Teaford went to Savannah Thursday evening to visit until Sunday with her parents, Mr. and Mrs. N. F. Auble.

### "STOMACH MISERY ALL GONE."

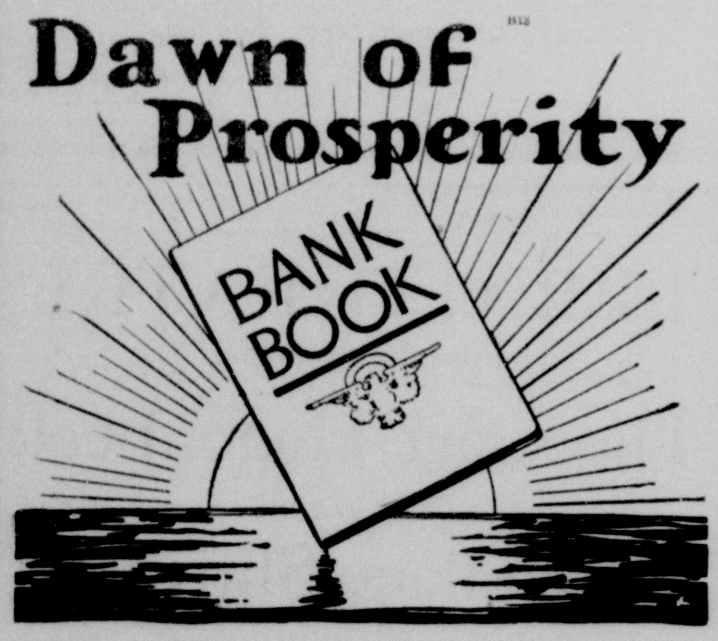
**"My! How Did I Suffer, But Now I'm Happy All Day Long and Sleep Fine.**

That's what a woman said just a few months ago. She said more and here it is:

"I wish it lay within my power to persuade every woman sufferer from dyspepsia or indigestion (or whatever they may think their stomach trouble is) to give MI-O-NA Stomach Tablets one week's fair trial. I am sure that every one of them would thank me from the bottom of her heart.

"I am well and happy for the first time in years and I do not hesitate to give MI-O-NA Stomach Tablets all the credit." Follow this advice. Give MI-O-NA Stomach Tablets a week's trial; if they do not benefit, the Orear-Henry Drug Co. will return the cost—50 cents.—Advertisement.

## Dawn of Prosperity



### Your Prospect of Success Lies with Your Bank Account

The day you make your first deposit marks the beginning of your progress. It is the first real step toward independence. The man who spends all his income is speculating with the future. Everybody meets with some misfortune at some period and should conserve against that day. The young man in business who does not save, the business house that does not maintain a surplus, is unprepared for emergency. Start an account today.

### DEATH FROM PNEUMONIA.

**Funeral Services for Little Son of Mr. and Mrs. Joseph Wilmas Will Be Held Saturday Morning.**

Raymond, the 15-months-old son of Mr. and Mrs. Joseph Williams, living south of Maryville, died Thursday of pneumonia. The funeral services will be held Saturday morning at 9:30 o'clock at St. Mary's Catholic church.

Mr. and Mrs. Wilmas were bereaved of another son two years ago. He was about 10 years old, and came to his death in a peculiar manner. While coasting on his way home from school a lead pencil he had in his mouth penetrated his tongue and caused malignant inflammation of the tongue and throat, from which he died in a few days.

### SPOKE AT THE NORMAL.

**Rev. Henry M. Baker Gave Address to the Men of the School.**

Rev. Henry M. Baker, pastor of the First Christian church at Hopkins, who will lecture tonight at the First Christian church in this city, addressed the men of the Normal at chapel Friday morning. Rev. Baker, who is a native of Australia, is a much traveled man, and in his address to the Normal students he disclosed some very interesting and varied experiences. Rev. Baker divided his address into four sections, Citizenship, Courage, Enthusiasm and Moral Character, and on all of these topics he advanced some very helpful and interesting ideas.

Sheep—1,700. Market strong.

### A GOOD PRESCRIPTION

**For a Long Life.**

This is the prescription for a long life given by an old gentleman in Conn., who is 99 years old and still well and cheerful—"Live temperately, and slow to anger, don't worry, take plenty of exercise in the fresh air, and above all keep cheerful."

Should the system get run down—digestive organs weak—the blood thin and sluggish take Vinol, which is a delicious combination of the medicinal—body-building properties of cods' livers, with the useless grease eliminated and tonic iron added. We regard Vinol as one of the greatest body-builders and strength creators in the world for aged people.

Mrs. Mary Ivey of Columbus, Ga., says: "If people only knew the good Vinol does old people you would be unable to supply the demand; it is the finest tonic and strength creator I ever used."

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

**To Hold Examination.**

A civil service examination for clerk and carrier will be held at the Maryville postoffice March 8. The age limit is 18 to 45, and applicants must be physically sound and must be not less than 5 feet and 4 inches in height, without boots or shoe, and weigh not less than 125 pounds without overcoat or hat.

### YOU CAN BANK ON ZEMO FOR ECZEMA!

**A 25c Bottle Will Prove It Absolutely.**

Your skin will revel with joy the moment you apply the new remedy, ZEMO. "Glory, but isn't it great!" ZEMO is a liquid. You rub it on the affected part, it sinks right in, and then it's goodbye to all that terrible itching, to every eczema sore, eczema pain, pimples, blackheads, blotches, rashes, sores and prickly heat. Yes, they all go; they've got to go. And how clear, smooth and spotless it leaves the skin! Dandruff disappears, too. ZEMO is safe absolutely.

Use ZEMO for irritated, raw and inflamed skin; for cuts, sores and hives and feel the difference at once. Children especially who suffer from skin affliction will go wild over it. ZEMO is guaranteed to stop itching.

ZEMO is sold at drug stores, in 25-cent and $1 bottles, or sent direct, on receipt of price, by E. W. Rose Medicine Co., St. Louis, Mo. The $1 bottle contains six times as much as the 25-cent bottle.

Sold and guaranteed in Maryville by the Love & Gaugh drug store.—Advertisement.

## BROOKLYN TABERNACLE BIBLE STUDY ON

### GOD'S RAINBOW COVENANT.

Genesis 8:1—9:17—Feb. 9.

*"I do set My bow in the cloud, and it shall be for a token of a covenant between Me and the earth."—Genesis 9:13.*

HIGHER Critics refer us to clay tablets found in Babylonia as the earliest record of the Noachian Deluge. These represent in outline Noah and a boat, and contain a few words descriptive of the Flood. This we are asked to accept as superior to the Genesis account. We are amazed! and recall to mind the prophecy which discusses our day, saying, "The wisdom of their wise men shall perish, and the understanding of their learned men shall not be apparent." (Isaiah 29:14.) For our part, the logical, reasonable statements of Genesis respecting the Flood are a hundred times more trustworthy than the crude Babylonian record.

Noah and his family dreaded another deluge. God called their attention to the rainbow, assuring them that never again would the whole earth be flooded. Because earth's last "ring" had come down, there could not be another deluge. Since the Flood, we have moisture in the form of clouds.

*The dove with the olive leaf.*

Prior to the Flood, the sun shone through the watery envelope as a great ball of fire. Hence no rainbow was possible. But now fine vapors in the direct line of the sun's rays naturally cause the rainbow. As God declares, so long as there is a rainbow, there can never be a flood.

**The Tower of Babel.**

Centuries afterward, the worldly-wise of that time undertook the building of a great tower, anticipating another deluge. Since they disregarded God's promise, He let them manifest their folly in unavailing sweat of face. When they were wearied by their herculean task and had learned valuable lessons, God confounded their language. Separated in tongue and interest, they scattered. Gradually manners, customs and color of skin became dissimilar. Thus the various races with their peculiarities of temperament and language had their start. St. Paul remarks that this was premeditated on God's part as being most favorable for the outworking of Divine purposes.

The separation of mankind into different nationalities and the barriers of language kept the peoples apart for centuries. But since steam became effective for transportation, the commingling of nations is breaking down national barriers and favoring human co-operation. Since mankind are sinners by nature, their co-operation is usually selfish and therefore evil.

Today rich corporations are building a great Tower of Babel for protection against calamity. Likewise the laboring classes are building a great Tower of Unionism, to deliver them from all adversity. Except for the dispersion and the language barriers, these worldwide organizations would have developed long ago and precipitated the final great conflict—"a time of trouble such as never was since there was a nation."—Daniel 12:1.

**Fire, the Next Calamity.**

St. Peter divides human history into three great Epochs, called "worlds" in our common version Bible. The first Epoch ended with the Flood, where the present Epoch began, styled by St. Paul, "This present evil world." St. Peter says that the present world will be ended by a deluge of "fire." Then will follow a new "world," or order of things. "The world to come," will be an Epoch of Righteousness, under Messianic supervision.

Bible students formerly understood St. Peter's words to signify literal fire, to consume the physical earth and heavens. Closer study shows that the fire is symbolic, and will consume everything contrary to the Divine will. The "elements" to "melt with fervent heat" are Capital and Labor elements. The friction between these will soon burst into flame, as St. Peter prophesied. The "heavens" are ecclesiastical—the church institutions. These will become involved in the strife between Capital and Labor, and will perish.

*"I do set My bow in the cloud."*

Christ Jesus is the Ark of Safety for all who will be saved from the present order. His followers will become with Him the "new heavens"—the spiritual ruling power of Messiah's Kingdom. Under their supervision a new social order will be inaugurated, and selfishness will be eliminated.

Although many lives will be lost in that trouble which ends this Age, the great mass of mankind will remain. Social, financial and ecclesiastical arrangements will have perished, and everything be put on a new basis by Messiah. The Lord tells us that following the fiery trouble He will send mankind a pure Message, "that they may all call upon the name of the Lord to serve Him with one consent." (Zephaniah 3:9.) Mankind will not be wholly destroyed by that fiery trouble. The confusion of doctrines given forth in the name of the Lord will terminate with this Age. The Message of Divine Grace promulgated in the future will be pure, and the blessing to all that will receive it will be great.

Miss Bess Nicholas went to St. Joseph Thursday evening to visit her uncle, J. H. Nicholas, and family.

### DANGEROUS DANDRUFF

**Will Make America a Baldheaded Nation if Not Checked.**

M. Pasteur, the great French Physician of Paris, once said, "I believe we shall one day rid the world of all diseases caused by germs."

Dandruff is caused by germs, a fact accepted by all physicians.

Dandruff is the root of all hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness.

Parisian Sage will kill the dandruff germs and remove dandruff in two weeks or money back.

The Koch Pharmacy guarantees it. It will stop itching scalp, falling hair and make the hair grow thick and abundant.

It puts life and lustre into the hair and prevents it from turning gray.

It is the hair dressing par excellence, daintily perfumed and free from grease and stickiness. It is the favorite with women of taste and culture who know the social value of fascinating hair.

A large bottle costs only 50 cents at leading druggist everywhere, and by the Koch Pharmacy. The girl with the Auburn hair is on every package.—Advertisement.

Mrs. J. E. Melvin went to St. Joseph Friday morning for a two days' visit. She was accompanied by her daughter, Mrs. J. T. Goff of Arkoe.

## FOR CITY OFFICES

SUITE OF ROOMS MAY BE RENTED FOR THAT PURPOSE.

## ALSO ROOM FOR COUNCIL

**As Members Think City Hall is Unsafe —Several Buildings Being Considered.**

At a special meeting of the city council held Thursday evening, there was a movement started to rent a building for the purpose of having all city officials located there. The council seems to be in favor of the plan, and probably at the regular meeting of the council this Friday evening some action will be taken favorable to the proposition. Several buildings are being considered.

There has been talk for some time of the city renting a number of office rooms that were together, so that all city officials could be found there. For instance, there will be an office for the mayor, the city collector, the marshal, the city attorney, the city clerk, and the superintendent of the city's water plant.

Many of the members of the council are also in favor of renting another room with these office rooms as a meeting place for the council. They don't think the city hall is a safe place for council meetings, and all they would have there would be the fire team and wagon and the city jail.

At the meeting Thursday night John Kane was granted a saloon license.

The regular monthly meeting of the council will be held this Friday evening. The white way proposition will come up at this time, and it is understood that enough money is raised to light the business district of the city with this new system of lighting. There will also be the monthly reports of the city officers, and the allowing of the bills against the city.

### DEATH OF JAMES GRAVES.

**Well Known Resident of Near Burlington Junction Passed Away Thursday at Midnight**

James Graves, a well known farmer living five and a half miles east of Burlington Junction, died at 12:30 o'clock Thursday night, after an illness of two weeks.

The funeral services will be held at 11 o'clock Sunday morning at the family home. The services will be directed by the Masonic lodge of which the deceased was a member. Burial will take place in Ohio cemetery.

Mr. Graves was a native of Ross county, Ohio, where he was born December 13, 1851. In 1868 he moved to Stark county, Illinois, where he was married later to Miss Eva Dixon. They came to Nodaway county, Missouri, in 1877, and settled in the neighborhood in which he died. Mr. Graves is survived by his wife and the following children: John Graves, Mrs. Maude Mitchell, Mrs. Lydia Parks of near Burlington Junction, Mrs. Nellie Hornbuckle of near Pickering, Miss Bertha Graves and Carl Graves, at home.

Mr. Graves also leaves two brothers and two sisters: John R. Graves and Mrs. Rachel Graves of near Burlington Junction, Thurman Graves of Cook county, Wyoming, and Mrs. Mary Walliker of Clinton, Ia.

### COMPLETED ITS WORK.

**Big Steam Dredge on Nodaway River Drainage Ditch, Now at Quitman.**

According to this week's Burlington Junction Post the big steam dredge which has been engaged the past two years in digging a new channel for the Nodaway river completed its work late Thursday evening and the machine will be taken apart and placed near the Burlington right of way at Quitman. It will remain there until another contract for its use is secured, when it will be loaded on the cars and shipped to its new field of labor. It will require several days to dismantle the dredge and haul it the short distance to the Burlington tracks.

### Visitors From Wyoming.

Mrs. Alva Hanna and Gladys Hanna of Sheridan, Wyo., arrived in Maryville Thursday and will spend a month in Maryville, guests of Mr. and Mrs. Harry Whitney and family. Mrs. Hanna is a sister-in-law of Mrs. Whitney. Mrs. Hanna came at this time to place her daughter under the care of Dr. F. M. Martin for heart trouble, with which she is afflicted.

### JUMPED ONTO TEACHER.

**Prof. John Davis of Elmo and Claude Pruett and Clarence Tibbett in Fight in School.**

There was a disturbance at the Elmo school house on Wednesday afternoon, and two boys, Claude Pruett and Clarence Tibbett, were arrested on a charge of disturbing the peace. They pleaded not guilty and were bound over to the February term of circuit court, so it is said.

The trouble is said to have started in the library, when Prof John Davis entered that room during recess and slapped one of the boys for making a sassing remark to him, and at this both of the boys jumped onto the professor. None of the parties were badly hurt, and Prof. Davis sustained a dislocated thumb and sprained his wrist. No other injuries are reported.

### JOHN MOORE DIED IN PUEBLO.

**Body Will Be Brought to Maryville for Burial in Miriam Cemetery—Services Monday Noon.**

Mr. J. E. Bailey of the Maryville Furniture company received a telegram Friday afternoon from Pueblo, Col., saying that John Moore, a former well known resident of this city, had died there and that his body would be brought to Maryville for burial. Services will be held at the cemetery Monday noon.

Mr. Moore had been living with his daughter, Mrs. Louella Woodard of Pueblo, since the death of Mrs. Moore last summer. The other children surviving are Charles Moore of Maryville, Sylvester Moore of Kansas City and Mrs. Belle Russell of Seattle, Wash.

### DEATH NEAR GUILFORD.

**Mrs. Mattson, a Native of Sweden, Died Friday Morning at the Home of Her Son.**

Mrs. Elsa Mattson died Friday morning at the home of her son, Henry Mattson, six miles northeast of Guilford. The deceased was nearly 83 years of age. Her death was caused by grip and complications.

The funeral services will be held Saturday morning at 11 o'clock at the M. E. church, South, in Guilford, conducted by the pastor, Rev. S. E. Hoover of Ravenwood.

Mrs. Mattson was born in Sweden in 1830. She came to this country in 1892. She was a member of the Lutheran church. She is survived by four children—Henry and Samuel Mattson and Mrs. John Anderson of near Clyde; Mrs. R. G. VanHorn of Oklahoma City, Okla. Another daughter, Mrs. Samuel Nelson, is deceased.

### HAS ODD AND RARE COINS.

**C. B. Zarn of Burlington Junction Has a Collection That is Hard to Beat.**

Several of our exchanges have been telling of rare and ancient coins, the property of some of their readers who have a hobby of making collections of the pieces, but we believe that Burlington Junction's prominent merchant, C. B. Zarn, possesses a collection that will make them all sit up and take notice.

Mr. Zarn has been making a collection of coins for twenty-five years and in that time he has secured pieces of money from almost every country in the world. His collection comprises over 800 pieces and an attempt to unravel some of the characters would soon drive you into a state of mind very much resembling the "jimmies." Among his collection are the following: $3 gold piece, a dollar made in 1798, a penny of the same date, a ½ cent piece date 1803, "shin plasters," and paper money—about twenty different kinds of U. S. coins.

Then he has coins from all of the following countries, in some cases several different pieces: Greece, Mexico, The Netherlands, Algiers, Tripoli, Borneo, Haiti, Labuk, Argentine, Isle of Gurnsey, Austria, Sweden, Madagascar, Portugal, Venzuelt, Chili, South Africa Republic, China, Domnicana, East Africa Germany, Brazil, Norway, Paraguay, Canada, Hongkong, Denmark, Belguim, India, Persia, Japan, United States of Colombia, Russia, Confederation of Helvetians, Luxumburg, British East Africa, Switzerland, Guatemala, Vatican, French Republic, Sicily, Turkey, Italy, Empire of France, Peru, Hawaii, Spain, Philippine American, Philippine Spanish, Hondura Republic, Salvador, New Foundland Great Brittian, Arabia, Germany, Prussia, Unknown, United States, Camdodge, Grivua Town.

This list is composed of pieces from 60 diffferent countries and we wish to hear from some one who can show as good or a better one. Thumbs down! Who can beat it?

## THE CITY LOST OUT

A $100,000 ENTERPRISE WILL LOCATE IN BURLINGTON JUNCTION.

## DIDN'T HAVE WELLS

**So Supply of Water for a Milk Condensing Plant Could Not Be Had Here, So Had to Go Elsewhere.**

Maryville lost a $100,000 enterprise this week when it was found out that the city did not have a well supply of water to furnish to the enterprise 250,000 gallons a day. It was the Helvetia Milk Condensing Co., which is going to establish a plant in this part of the country somewhere.

Louis Latser, president of the company, was in Maryville Wednesday and Thursday of this week, looking over conditions. He was well pleased with the city and would like to locate a plant here, but the fact that he couldn't get sufficient well supply made him decide that it would be best to go to another place.

Burlington Junction stands a good show to land the plant, as Mr. Latser found that he could get the well supply of water there. Within thirty days or so, the board of directors of the condensing company, and a number of experts will visit Burlington Junction to examine thoroughly into conditions there, and if everything is satisfactory, the plant will be built there.

The Milk Condensing company is to build a $100,000 plant, and will start to work with 25 men. When in full running capacity, it will take 100. It is necessary to get the milk from 1800 to 2000 cows.

The central plant of the company is located at Highland, Ill., and the company has plants in Wisconsin, Michigan, Kansas and a few other states.

### GAMES TONIGHT.

**Amity Girls and Men's Team to Play Normal Girls and Men's Team.**

The Amity college basket ball team and the college girls' team, accompanied by their coach, a chaperone and several rooters, arrived in the city this morning for two games tonight with the Northwest Normal teams. The girls game will be played first and starts at 8 o'clock, which does not mean 8:30 but just 60 minutes after 7.

Below are the line-ups which will start the games:

Amity girls—F. Stitt and Coler, forwards; Johnson and McKee, centers; B. Stitt and McKelghan, guards.

Normal girls—Hoffman and Abplanalp, forwards; Rickenbrode and Hotchkiss, centers; Gibler and Thompson, guards. Van Buren, Chappel, Caudle and Hanna, subs.

Amity college — Hawthorne and Beckwith, forwards; Wilson, center; Luhr and Milhone, guards.

Normal—Vandersloot and Daise, forwards; Perrin, center; McClintoch and Seymour, guards.

### Indiana Visitors Leave.

Mr. and Mrs. Charles Long and Miss Jeannette Long of Lafayette, Ind., who have been guests at the home of Mr. and Mrs. J. T. Linville several days, left Thursday evening for San Antonio, Texas, for a visit with friends, when they will go to Artesia, N. M., to visit Mrs. Long's brother, George T. Anderson. Mrs. Long is a niece of Mrs. Linville.

Mrs. E. O. James and son of Elmo arrived Friday for a few days' visit with her parents, Mr. and Mrs. M. C. Hopper.

On and after Feb. the 15th

H. T. CRANE

## WHITE WAY SURE

NEW SYSTEM OF LIGHTING BUSINESS SECTION IS NOW ASSURED.

## WILL BE FOR 10 BLOCKS

**Property Owners Agreed to Pay for Installation of Posts and Lights, and City to Pay for Juice.**

The white way for the business section of Maryville is now a sure thing, and all that remains is for the city to ratify the Commercial club proposition, which will be done at the council meeting to be held this evening.

The white way system is to be for ten blocks, and costs $4,500 to install it, the property owners paying for the installation. According to terms the city made last December, if the property owners would pay for the installation the city would pay for the juice, so the city will not have to come through.

The white way will extend from Dr. F. M. Martin's office, on South Main street, to the Curfman lumber yard, on North Main street, and then around the court house square, then one block on West third street from Main, and a half block on Fourth street from Main. The county court is to pay for the installation of the posts around the court house square.

Posts similar to those in front of the Empire theater will be used, and for three blocks on Main street and around the square the five-lights will be used, and in the other blocks the three lights. All of the lights are to be on every evening in the year up to midnight, then one light on each post for the rest of the night.

### MEN'S FELLOWSHIP DINNER.

**Many in Attendance at the Affair at the Buchanan Street Methodist Church Thursday Evening.**

The men's fellowship dinner at the Buchanan Street Methodist church on Thursday evening was a great success and was well attended. The dinner was served in the Sunday school rooms of the church, and there were sixty-four diners. A four-course dinner was served, and music was furnished by Miss Alma Nash's orchestra. The Normal quartet also gave two numbers.

Dr. H. K. Taylor presided as toastmaster. Others who made talks on Fellowship" were Rev. J. D. Randolph, Floyd Brown, Prof. V. I. Moore, J. H. Thorp, J. S. Muntz, A. T. Stinson, Prof. L. M. Eek.

The fellowship committee of that church is composed of M. A. Peery, J. S. Muntz, A. T. Stinson, J. H. Thorp, L. E. Carpenter, J. H. Porter, Floyd Brown, H. K. Taylor and V. I. Moore.

### FOUR MILES TO SCHOOL.

**Three Guilford Students Walked That Distance to School Every Day.**

Misses Elsie Kent, Golda Horton and Nettie Horton, all living about four miles northwest of Guilford, are attending school at Guilford this year, and are walking that distance to get to school. They have not missed more than four or five days this year.

### YOUNGER RESIDENCE SOLD.

**O. A. Simmons of Atchison, Kan., Purchased Property for $3,800 Under Trustee's Sale.**

The $5,000 bungalow and a corner lot of Joseph A. Younger, the Elmo financier, was sold Friday afternoon at trustee's sale by Joseph Jackson, Sr., trustee, to O. A. Simmons of Atchison, Kan., for $3,800.

### Returning to Oklahoma.

Charles Willson of Muskogee, Okla., who has been in the city several weeks with Mrs. Willson, on account of the illness of her father, C. L. Wright, went to Barnard Thursday evening to spend a few days with his mother, Mrs. Edith Willson. If Mr. Wright continues to improve as he has been doing for several days, Mr. Willson will return to Oklahoma the first of the week.

**Alderman Dry Goods Co.**

Big Remnant Sale

Saturday, Monday and Tuesday.

### TOURNAMENT CLOSED.

**Normal Was First, Pirates Second, High School Third, With Business College Third.**

Final Standing of the Teams.

| | Won. | Lost. | Pr.ct. |
|---|---|---|---|
| Normal | 9 | 0 | 1.000 |
| Pirates | 5 | 4 | .555 |
| High school | 4 | 5 | .444 |
| Business college | 0 | 9 | .000 |

In the closing games of the city basket ball tournament Thursday afternoon at the Normal gymnasium the Pirates edged into second place by beating the high school five 21 to 18, and the Normals romped away from the Business college men, counting 64 to their opponents 7. The battle between the buccaneers and the highs was a scrap for second place, and the contest had all the earmarks of a sure-enough basket ball game. Owing to their recent brilliant showing the Pirates rather expected to win by a decided score, but before the game had progressed many minutes it was evident that the final count would be very close. The first half ended 7 to 7, but the Pirates started strong in the final period and got an eight point lead before the high school men could get together. With the count 21 to 14 against them, the highs began a great uphill fight, and probably all that saved the Pirates the game was the timer's whistle.

With the score in Normals' favor 54 to 1, Coach Moore sent in the second squad against the collegians for the last ten minutes of play, and they counted ten more while the losers got six. The line-ups:

Pirates—Eek and Wray, forwards; Hoffman, center; Carpenter and Gault, guards.

High School—Leech and Murray, forwards; Thompson, center; David, Wilison and Scott, guards.

Summary—Field goals, Eek 3, Hoffman 3, David 2, Murray, Leech, Thompson, Carpenter. Free throws, Eek, 6 out of 9; Leech, 5 out of 9; Thompson, 2 out of 5.

Normal—Vandersloot and Daise, forwards; Perrin, center; Seymour and McClintoch, guards. Johnson, Hanna, Lamar, Strader, Taylor, Britain, Woodward and White played in second half.

Business college—Carter and Bailey, forwards; Brown, center; Castillo and Rhodes, guards.

Summary—Field goals, Perrin, 9, Vandersloot 6, Daise 6, Seymour 6, Johnson, Lamar, Strader, Carter, Castillo. Free throws, Vandersloot 4, Carter 2, Castillo, Hanna, Britain.

The tournament, which closed Thursday, has been a success in every way. Not to be outdone by a number of other organizations of the city, the directors of the city league are planning for a big banquet to be given to the players who participated in the tournament. The eats will probably be served some night next week.

### SPOKE IN EXCELSIOR SPRINGS.

**F. H. Shepherd of the Northwest Normal Presenting Manual Training to Public School.**

Frank H. Shepherd of the manual training department of the Northwest Normal, is giving an illustrated lecture Friday afternoon in Excelsior Springs on manual training in the public schools.

Superintendent Beswick of the Excelsior Springs schools, in arranging for the lecture, wrote.

"In the past the teachers have been given two days each year to visiting other schools. This year we are going to spend the money it costs the teachers for these visits in employing educators to address us on current educational topics. The board will add to this money the sum they have had to pay for substitute teachers. With this fund it is hoped to benefit our schools and teachers more than by our past methods of school visits."

### CASE IN PROBATE COURT.

**Harriett Johnson Suing Estate of Joseph A. Johnson for $304.40, Received $235 From Jury.**

The case of Harriett Johnson vs. the estate of Joseph A. Johnson, Ellis G. Cook, administrator C. T. A., for $304.50 for lodging and board for her brother-in-law, was on trial in probate court Friday morning before a jury. M. E. Ford represented the defendant and S. E. Brown of Hopkins the plaintiff. The jury returned a verdict for the plaintiff for $235. An appeal will be taken to the circuit court.

Mrs. H. E. Young, who has been in Maryville several weeks, at the home of her sister, Mrs. Emma Cloud, on account of the sickness and death of her mother, Mrs. Elizabeth Wallace, returned to her home in Kansas City Friday morning.

## SUFFRAGETTES WIN

## THE COUNTY UNIT BILL

**To Pass House, But is Doubtful in the Senate—Favorable Report on Craig's Bill.**

Jefferson City, Feb. 7.—The suffragettes took the legislature committees by storm last night and won before the battle was fairly opened. It was a surrender without terms on the part of the lawmakers and was entirely unexpected.

Both the senate and house equal suffrage amendments will be reported favorably today. The vote of the senate committee was unanimous. One member of the house committee asked to be recorded as voting no, but his name was not announced.

The suffragettes are happy, but rather disappointed that they won so easy a victory. Not one-fifth of their orators had spoken, and everyone had settled down for a long siege when President Pro Tem. Wilson of the senate asked leave to make a motion.

He said there was no use in wasting any more time of the senate committee in asking it to do what was right, and he moved that the Craig amendment be reported favorably. Senator Gardner of St. Louis county seconded the motion, and it carried without a dissenting vote. The house committee vote followed immediately and before half the big audience knew what was going on the joint meeting adjourned.

The resolution is for the submission of the suffrage amendment to be voted on in 1914 in Missouri, allowing women to vote.

### County Unit Bill to Pass House.

The "wets" were knocked out in an all day's battle with the "drys" on the floor of the house yesterday. When the hours of oratory and bitter verbal fights and shrewd maneuvering was over the county unit bill, which the drys say will make all Missouri dry in a few years with the exception of Kansas City, St. Joseph and St. Louis, had been sent to engrossment. The "wets" did not even ask for a roll call, so thoroughly had they been whipped by the "drys" on the other test votes of the day.

The bill will come up for final passage in the house Monday. It is certain to be passed. So large a majority have the "drys," so the test votes today developed, they can pass about any bill they please in the house. The "wet" leaders tonight are in a panic. They wonder if the "wets" of the senate can defend the "bridge" safely, as they have in years past.

The county unit bill provides that in the future all counties shall vote as a unit on local option. The results of the local option fights show that every county, with the possible exception of Pettis, outside the three cities, would go dry if the voters cast their ballots as they have done in the past.

### Craig's Bill Favorably Reported.

Senator Craig's measure providing that women are eligible to election as school directors, was favorably reported. The bill was amended by the committee so that it applies only to rural schools. As originally drawn, cities were included in its provisions.

### THE WEATHER

Fair tonight and Saturday; not much change in temperature.

## POLITICAL ANNOUNCEMENTS.

**Township Collector.**

I hereby announce myself as a candidate for nomination for TOWNSHIP COLLECTOR, subject to the action of the Democratic township nominating convention.

MARION F. SMITH.

We are authorized to announce F. S. GRUNDY as a candidate for the nomination for Township Collector, subject to the action of the Democratic township nominating convention.

We are authorized to announce FRANK BOLIN as a candidate for the nomination for Township Collector subject to the action of the Democratic nominating convention.

**White Cloud Township.**

I hereby announce myself as a candidate for tax collector of White Cloud township, subject to the decision of the Democratic township nominating convention. S. B. WILLIAMS.

I hereby announce myself as a candidate for tax collector of White Cloud township, subject to the decision of the Democratic township nominating convention. RUFUS CAREY.

## FARMERS' CLUB PRACTICAL.

**Successful Organizations in Existence a Half Century.**

A well-managed farmers' club is the most helpful, inspiring and useful institution in any community. It does a work with which no other organization can compare, for it leads not only directly to better farming methods, but to a closer social intercourse which is greatly needed in the country.

There are thousands of farmers' clubs scattered throughout the country and generally they act independently of each other. There is no central organization. Each club is organized in accordance with the ideas or whims of its members, but all have the same general aim in view—improving conditions of their homes and the community, says Farm and Home. Some very successful clubs have been organized for over fifty years and are limited in membership.

There are several of these clubs in the east with a membership of twenty to twenty-five members and their wives. A committee on membership recommends a farmer when there is a vacancy, his name is then forwarded to each member, and at the next meeting a secret ballot is taken which must be unanimous. This is done to insure the election of those who are likely to prove congenial with the other members, for in such an organization the social features play an important part.

Most farmers' clubs have no limit to their membership, or else their limit is so high that all the farmers of a community can join.

## Communicatons

**Against County Advisor.**

Editor Democrat-Forum: I will write some of my versions as to a county advisor for farmers. Who is it that is clamoring for such an officer and why so much interest? Has not any up-to-date farmer all of the experiment stations and all farm papers that discuss all of the subjects of interest to farmers? How are you going to get a farmer to take his advice when he has been farming and sees all of his neighbors beating him all the time and will not take heed. The piece in your issue of February 3 sounds very nice in the paper, but you cannot make any set rules on general farming, owing to the varied conditions of the weather. A rule that will work one year might not work the next, and as for testing seed corn, any intelligent farmer can test his corn at home and know just how it is. Another thing, if one million bushels of corn is worth one-half million dollars, it does not follow that one and a quarter million bushels would increase the value to the producers in like amount. It might be worth less money in the first hand. Just a few years ago when farmers had but little left, we heard the cry of overproduction, now the other ox is gored. The farmer is not receiving too much for his products. In most instances he has something left for himself. Have we not had the advice of the tobacco raisers and cotton raisers when the price received would not pay for production? I am sure the farm advisor would attend all picnics and would always be ready for the noonday spread, for that is never lacking at a farmers' picnic. As to hog cholera, have we not the experience of all the past, and if anything new comes won't the hog raisers find it out as soon as it is effective? Through an advisor, if he is going to be of so much value, let the ones that want him so bad put up the wherewith, and after he has done so much good I do not think the county is doing justice by using the fund in that way. Better put it on the bridges over the county.

H. T. PISTOLE, Hopkins.

**Was Not a Vote of 5 to 1.**

Skidmore, Feb. 6.—Editor Democrat-Forum: I see in your Tuesday's paper an account of the meeting of the Graham Mutual Line Telephone company and that they voted 5 to 1 in favor of incorporation, which is a mistake or a report to mislead. I was present at the meeting and 86 voted for and 45 against incorporation, and there are 245 on the different lines. If they can make that 5 to 1 I do not know how they count. There is a very strong feeling against consolidation by a great many of the owners of the lines. They are hardly willing for their property to be forced away from them.

JAMES H. LINVILLE.

**Amoma Class Market Saturday.**

The Amoma class of the First Baptist church Sunday school will hold a market at Price & McNeal's store all day Saturday. There will be lots of good things to eat for your Sunday dinner, and there will be some articles of fancy work for sale, too. 6-7

## News of Society and Womens' Clubs

**Saw David Belasco's Comedy Triumph.**

Mrs. Charles S. Jackson and Miss Elise Jackson, Mr. Louis DeHart and Miss Mabel Martin attended the production of "The Concert," David Belasco's comedy triumph, at the Lyceum theater in St. Joseph Thursday evening.

**Installation and Banquet.**

The annual installation and banquet of Sedgwick post, No. 21, G. A. R., will take place this Friday evening. The installation will take place in the G. A. R. hall, while the banquet will be given at the Ream hotel. Members of the G. A. R. and their wives, and members of the Woman's Relief Corps and their husbands are invited to attend.

**A Quiet Wedding.**

Miss Eudora Cooper of Bolckow and Mr. Chester Irving Hartman of Great Falls, Mont., were united in marriage Thursday evening, February 6, at 7:30 o'clock, at the home of the bridegroom's parents, Mr. and Mrs. G. A. Hartman, 620 East Fourth street, the Rev. J. L. Jones of this city officiating. Only near relatives of the bride and groom were present. Mr. and Mrs. Hartman will remain in Maryville for the present, owing to the illness of Mr. Hartman's mother. They will make their home at Great Falls. Mr. Hartman is an engineer on the Great Northern railway.

**Palestine Aid Society.**

The Ladies' Aid society of the Palestine church, twelve miles southwest of Maryville, met Thursday afternoon at the home of Mrs. John Gex. The afternoon was spent in sewing and comfort tacking. Refreshments were served and all enjoyed a most delightful afternoon. Mrs. Will A. Burris was the guest of the society. The members present were Mrs. Peter Brown, Mrs. Henry Anderson, Mrs. Jacob Shockley, Mrs. James Pool, Mrs. John Neal, Mrs. Theodore Snowberger, Mrs. Dick McDowell, Mrs. Gaylord Dilts, Mrs. Wilson Ellsworth, Mrs. Clarence Charles, Mrs. Will Mountjoy, Mrs. Will Gex, Mrs. Lawrence Talbott, Mrs. Wesley Moody, Miss Minnie Farmer.

**Domino and Valentine Party.**

Misses Maud and Grace DeMotte entertained Thursday evening at the home of their parents, Mr. and Mrs. N. S. DeMotte, in honor of their guest, Miss Ruth Keplar of Jameson, Mo. About thirty guests were occupied with playing progressive dominoes the first part of the evening, when a luncheon was served, after which the auctioning of valentines gave much merriment until time to go home. The girls were assisted in entertaining by their mother and their sister Miss Dorothy DeMotte, and Miss Stella Hurst of Elmo. The out-of-town guests, aside from the honor guest, were Mr. Raymond Watson, superintendent of the high school of Bolckow; Mr. Earl Vickery and Mr. Ambrose of Arkoe.

**Surprise for Lawsons.**

A very enjoyable party was given at the home of Mr. and Mrs. Bige Lawson Saturday evening. They will soon move to their new home in Harmony neighborhood and will be greatly missed by their old friends and neighbors here. A supper of fresh oysters and pickles was served. Those present were Mr. and Mrs. Charles Garrett, Mr. and Mrs. Ollie Patterson, Mr. and Mrs. T. A. McDowell, Mr. and Mrs. Ed Babb, Mr. and Mrs. Joseph Patterson, Mr. and Mrs. Al Taylor, Mr. and Mrs. Winfield Scott, Mr. and Mrs. John Griffey, Mr. and Mrs. Guy Haller, Mr. and Mrs. Ernest McDowell, Mr. and Mrs. Wm. Osborn, Mr. and Mrs. John Halasy, Mr. and Mrs. Wm. Hughes, Mr. and Mrs. Maurice Brennan, Mr. and Mrs. Elihu Shell, Mr. and Mrs. Alonzo Hughes, Mr. A. J. Kinsley, Mr. Henry Shell, Mrs. Brice Hall, Misses Lyda Onstott, Florence and Letha Lawson, Edna Garrett, Letha and Edith Patterson, Claudine Hughes, Gladys and Lucile Lawson, Irene Leta and Dorothy Babb, Nellie and Crystal Hall, Lora McDowell, Mabel Patterson, Messrs. George, Howard and Robert Patterson, Lester Wiley, Marshall Sybert, Lester, Morton and Dale Babb, Cecil and Glen Lawson, Don and Eugene Hall, Dale and Robert Hughes, John Brennan, Willie Garrett, Perry Onstott.

**Penelope Club Party.**

The Penelope club entertained its husbands and a few friends with a progressive domino party Thursday evening at the home of Mr. and Mrs. Charles McNeal, which proved one of the most successful affairs the club has given. The rooms were attractively decorated in red and white hearts, emblematic at St. Valentine's day and the tally cards for the games were valentines. After the games, the valentine boxes were opened, one for the ladies and one for the gentlemen, and not one of the guests was slighted by the old Saint, who gave each the sort of valentine that would prove most beneficial to them. Some excellent piano music was given throughout the evening by Mr. Harold Van Steenbergh and Miss Avis Pinnell a niece of the hostess. A three course luncheon was served. The guests were: Mr. and Mrs. G. A. Van Steenbergh, Mr. and Mrs. H. J. Van Steenbergh, Mr. and Mrs. R. S. Braniger, Mr. and Mrs. T. H. Cook, Mrs. J. F. Cook and her niece, Miss Willard, and Clarence Cook, Mr. and Mrs. Omer Catterson, Mrs. Gallatin Craig and her guest Mrs. S. H. Townsend, Mr. and Mrs. F. C. Conrad, Miss Nell Conrad, Mr. and Mrs. Frank Bolin, Mr. and Mrs. R. H. Duncan, Mr. and Mrs. J. D. Ford Mr. and Mrs. John Herron, Mr. and Mrs. O. L. Holmes, Mr. and Mrs. N. F. Hopper, Mr. and Mrs. Leroy Johnson, and their daughter, Mrs. Rufus Ringgold and daughter, Valta of Hopkins, Mr. and Mrs. J. E. Melvin Mr. and Mrs. John Price, Mr. and Mrs. J. M. Smith, Mr. and Mrs. S. J. DeArmond, Miss Lora Stockton, Mr. John Keffler, Mr. and Mrs. S. J. Pinnell, Miss Avis Pinnell, the host and hostess and Harold McNeal.

We appreciate your business and have a bank book waiting for you.

GEORGE B. BAKER,
GEORGE S. BAKER,
EDWARD E. WILLIAMS,
BURT M. ROWLEY.

**A Good Bill.**

Those interested in rural schools regard senate bill 122 as very important. It provides that when a school district has levied the maximum amount provided by law, and that amount fails to yield enough to run an eight months' school, and pay a teacher a salary of $40 a month state aid may be asked to make up the deficiency. County superintendents regard this as a matter of great necessity in order that students at district schools may be given a fair opportunity for an education.

Mr. and Mrs. Elmer Noble of Darlington, who have been visiting at the home of Walter Combs, returned home Friday.

**No Preaching at Wilcox.**

Owing to the fact that Rev. Marston DeWitt, pastor of the Southern Methodist churches at Barnard and Wilcox, is engaged in a revival meeting at Mt. Pleasant church, northwest of Barnard, he will be unable to fill his appointment with the church at Wilcox the coming Sunday.

STOMACH GONE BAD
SOUR, GASSY, UPSET?

When "Pape's Diapepsin" Gets in Stomach all Indigestion Goes.

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain remedy in the whole world and besides it is harmless.

Millions of men and women now eat their favorite foods without fear—they know now it is needless to have a bad stomach.

Please, for your sake, get a large fifty-cent case of Pape's Diapepsin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of rebellion in the stomach.

Diapepsin belongs in your home anyway. It should be kept handy, should one of the family eat something which doesn't agree with them or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night it is there to give the quickest surest relief known.—Advertisement.

Mrs. A. E. Pantry and children of Lenox, Ia., arrived Thursday evening for a short visit with her mother, Mrs. E. Y. Shinabargar.

When in St. Joseph stop at Hotel Ryan (European), 313 South Sixth street. Steam heated. Rooms 50 cents to $1.00 per day.

Valentines

We have the largest stock of these beautiful remembrances this year we have ever carried. We have all kinds from the cheap grades up to the very nicest ones made. Valentine postcards in profusion. We have the hand painted valentines at prices not much greater than most stores are selling the ordinary stock kind, and they were made especially for us. By all means see them.

# ALLIES MAY REACH STRAITS

## Main Object of Bulgarian Army Disclosed at Sofia Offices.

## GREEKS TO ATTACK CAPITAL.

Turkish Army Is Reported to Have Suffered Defeat at Gallipoli and to Be Retreating in Disorder to Bulair. Bulgarians in Pursuit.

Sofia, Feb. 7.—The main object of the Bulgarian armies, apart from the reduction of the fortress of Adrianople, was disclosed in dispatches given out by the war office. The plan is to reach the Dardanelles straits and clear them for the passage of the Greek fleet into the Sea of Marmora. Then the Greeks will attack Constantinople directly from the sea.

From reports of the fighting to the north of the peninsula of Gallipoli it can be seen that one of the columns of King Ferdinand's troops is marching straight for the city of Gallipoli. It has occupied already the villages of Medeste, Charkeui, Kavak and Bulair, which are on the neck of the pensinsula. It has not yet, however, come in contact with any large force of Turkish troops, of which there are said to be 70,000 in the Gallipoli peninsula. These, in the opinion of military experts, should be able to offer a strenuous resistance to the advance of the Bulgarians from the north. The guns of the Dardanelles forts also can be trained toward the land side. On the whole, the Bulgarians have a severe task before them.

The Turkish army occupying the peninsula of Gallipoli and defending the Dardanelles suffered a defeat at the hands of the Bulgarian troops to the south of the River Kava, according to a statement by the Bulgarian war office.

The Ottoman troops are said to be retreating in disorder toward the town of Bulair, a small place to the northeast of the city of Gallipoli. They are pursued hotly by the Bulgarians.

The statement concludes that as the result of this success of the Bulgarian troops the whole coast of the Sea of Marmora as far as Bulair is now in the hands of the Balkan allies.

## FORM BIG BUYING COMBINE

Department Stores to Consolidate Their Purchases.

St. Louis, Feb. 7.—Announcement was made here that department stores in many large cities of the United States have organized the American Department Stores' corporation, to consolidate their purchases and thereby get low prices from the manufacturers. The wholesaler is to be eliminated as far as the stores in the corporation are concerned. The stores in the new company have an aggregate purchasing power of more than $75,000,000 annually. J. B. Shea of Pittsburgh has been elected president of the corporation, which will be capitalized at a nominal amount and chartered in New York.

Among the cities that have a store in the corporation are St. Louis, San Francisco, Boston and Pittsburgh. Negotiations are in progress for the admission of stores in Chicago and New York, and later stores in smaller cities will be taken in.

## MRS. HELD INOCULATED

Pittsburgh Physician Tests Serum Discovered by Dr. Friedmann.

Pittsburgh, Feb. 7.—Dr. Austin B. Held, a local physician, arrived home from Berlin, bringing with him the tuberculosis serum discovered by Dr. Friedmann. A short time after reaching here Dr. Held inoculated his wife. Dr. Held announced that he was unable to get a single treatment from the discoverer, Dr. Friedmann, but said he procured the serum from Dr. Piorkowski, said to be a well known bacteriologist in Europe.

### Russia Bars Women Lawyers.

St. Petersburg, Feb. 7.—The duma bill admitting women to practice law in Russia was rejected by the council of the empire by 84 votes to 66. The leading Russian jurists and practically the entire liberal public opinion in Russia favored the bill. The elder generation of statesmen, headed by the minister of justice, however, pleaded eloquently and successfully against any extension of the rights of women.

### Darrow Questions Franklin.

Los Angeles, Feb. 7.—Clarence S. Darrow directed a searching fire of cross examination at Bert H. Franklin, confessed jury "fixer," and on whose testimony the former chief counsel for the McNamara brothers is undergoing trial for the second time for alleged jury bribery. The witness denied ever having intimated that he had acted on his own initiative and not at Darrow's request.

### Negro Dies Aged 110 Years.

Reno, Feb. 7.—Frank Baccus, a negro between 110 and 120 years old, died at the county hospital. Aged men who knew him sixty years ago, when he first came to Nevada, say he was an old man then. The negro, a giant in stature, often told of accompanying his master during the Black Hawk war in 1832. He also remembered clearly the first inauguration of Madison as president.

## JOSEPH P. TUMULTY.

He Will Be Secretary To President Wilson; Now Private Secretary.

Mr. Tumulty was private secretary to Mr. Wilson from the beginning of his term as governor of New Jersey in January, 1911, until November, 1912, when the governor made him clerk of the supreme court for a term of five years at an annual salary of $6,000, $2,000 more than he had been receiving. He has continued to act as private secretary to Governor Wilson without salary.

# FEDERAL PROBE INTO PRICE OF CRUDE OIL

## Seek to Discover Whether Dissolution Decree Violated

Washington, Feb. 7.—The soaring price of crude oil is being investigated by the department of justice in connection with its inquiry to determine whether the decree dissolving the Standard Oil company has been violated. The government wants to know whether any of the former subsidiaries of the trust have created situations responsible for the enormous rise and whether there is any concerted action. Information in possession of the department alleges that some of the big companies have a year's supply of crude oil in their tanks and the present high price of crude oil does not affect them, but is operating on smaller concerns.

The second warrants issued by United States Judge Meek of Dallas for the arrest of John D. Archbold, H. C. Folger, Jr., and W. C. Teagle of the Standard Oil for the alleged criminal violation of the Sherman act are believed to have reached New York by this time.

The fact that they have not been served is said to indicate that the attorney general has directed that they, like the original warrants, be withheld until he is satisfied the government has sufficient evidence to sustain a case in Texas.

## MOB EXPLODES BOMB

Two Special Officers Injured in Strike Riot in Brooklyn.

New York, Feb. 7.—A mob making a demonstration in the interest of the garment workers on a strike in the shops in the Williamsburg section of Brooklyn employed a bomb. Edward Hartment and John Hopp, two special officers guarding a shop affected by the strike, were hurt seriously by glass and scrap iron from the infernal machine. The explosian wrecked the front of the building and precipitated a panic among the operatives.

A police sergeant and five patrolmen were beaten by the mob. Reserves arrived in a patrol wagon and dispersed the strikers after a struggle, in which five men and two girls were made prisoners.

A thousand operatives returned to work in a number of shops throughout the city after remaining on a strike for more than a month. All their demands, including better pay and shorter hours of work were granted, their leaders said.

### Mails Transmit 40,000,000 Parcels.

Washington, Feb. 7.—Approximately 40,000,000 parcel post packages were handled in January. At the fifty largest postoffices 19,365,533 parcels were handled in the first month of the operation of the new system and the business of the last two weeks exceeded that of the first two weeks by more than 5,000,000 packages. Chicago exceeded all other cities in the number of parcels handled, its total being 4,163,153.

### Fear Ruling May Let in Coolies.

Los Angeles, Feb. 7.—An invasion by coolie Chinese is feared by immigration inspectors as the result of a decision handed down by Judge Wellborn in the United States district court holding that a Chinese once legally admitted to the United States could engage in any occupation he desired.

### Nineteen Drown in Wreck of Schooner

Bluefields, Nicaragua, Feb. 7.—Nineteen persons, twelve passengers and seven members of the crew were drowned when the schooner Granada was wrecked off Greytown, Nicaragua, according to advices received here. There are only two survivors.

# MORE INDIAN LAND OPENED

## Bill for Settlement of Standing Rock Reservation to President

## BUTTER CASE NOW REFERRED

President Taft Asks Opinion of Attorney General Wickersham on Ruling as to Amount of Moisture Permissible in Butter.

Washington, Feb. 7.—The conference report on the bill to open the Standing Rock Indian reservation to settlement was agreed to by the house. Representative Burke of South Dakota said the measure would now go to the president for his signature and that in all probability the registration for drawings would be held this fall and the entries on the land made next spring.

The senate committee on public lands favorably reported Senator Gronna's bill to give full patents to settlers on coal lands in cases where the lands had been found to be non-coal in character.

The president has agreed to submit to the attorney general the question of the interpretation of regulation of the internal revenue office governing the sale of adulterated butter. This is done at the request of many Iowa members, as well as members from South Dakota, North Dakota, Minnesota and Wisconsin.

## SENDS SPECIAL MESSAGE

President Taft Advocates Building Two Railway Lines to Alaska.

Washington, Feb. 7.—Alaska's vast resources can be be brought within reach of the world, in the opinion of President Taft, by the construction with government assistance of two railway lines from the Alaskan coast to the interior, ownership of which shall be vested in the government, but which shall be operated by private parties under lease.

In a special message transmitting to congress the report of the Alaskan railway commission, the president strongly urged legislation along these lines, asking that the government either guarantee the principal and interest of bonds necessary to build the roads or construct them.

"I am very much opposed to government operation, but I believe that government ownership with private operation under lease is the proper solution," wrote the president.

## INSPECTOR IS SUSPENDED

Three New York Police Captains Also Under Suspension.

New York, Feb. 7.—Dennis Sweeney, inspector of police, was suspended from the New York police force by Commissioner Waldo. His name had been mentioned in the graft confession made by Police Captain Thomas Walsh, likewise suspended.

With Sweeney were suspended two police captains—James Hussey and James F. Thompson. Each has formerly been an inspector of the district over which Sweeney ruled, but were demoted to captains. Walsh's story will be presented to the grand jury Monday, when District Attorney Whitman will ask for indictments.

## BEACH CASE TO JURY

Millionaire Says His Wife Was Attacked by Negro.

Aiken, S. C., Feb. 7.—The jury of Aiken county farmers, before which Frederick O. Beach, the New York society man, was tried on a charge of assaulting his wife, is now deliberating upon its verdict.

Beach took the stand and swore that he did not commit an assault upon his wife. Mrs. Beach also testified that her husband did not assault her. Both blamed an unidentified negro for the crime.

### Legislators Hear Anna Shaw.

Jefferson City, Mo., Feb. 7.—Both houses of the Missouri legislature took a recess of thirty minutes while Dr. Anna Shaw spoke on woman's suffrage. The address was the formal opening of the campaign for woman's suffrage. The advocates of the ballot for women are asking the legislature to submit a suffrage amendment to the voters in 1914.

### Wilson Begins Inaugural Address.

Princeton, N. J., Feb. 7.—President elect Wilson walked unaccompanied by secret service men from his home to the Princeton university library to work there upon his inaugural address. Mr. Wilson sat inconspicuously in the conference room of the library sketching in shorthand the first draft of his address.

### Pension Checks Mailed on Time.

Washington, Feb. 7.—The first checks paid to pensioners under the new system, which did away with the eighteen agencies in various parts of the country, uniting them here under one head, have just gone out and every one of the more than 300,000 due this month were in the mail on time.

### Fears Father Lost on Arizona Desert

St. Louis, Feb. 7.—Perry W. Mader of this city left here for Arizona to search for his father, Leslie Mader, fifty-five years old, who, it is said, is lost on the Arizona desert.

# SURELY TAKE "SYRUP OF FIGS" IF HEADACHY, BILIOUS, CONSTIPATED

SWEETENS YOUR STOMACH, CLEARS YOUR HEAD AND THOROUGHLY CLEANSES YOUR LIVER AND 30 FEET OF BOWELS OF SOUR BILE, FOUL GASES AND CLOGGED-UP WASTE.

All those days when you feel miserable, headachy, bilious and dull are due to torpid liver and sluggish bowels. The days when your stomach is sour and full of gas, when you have indigestion; the nights when your nerves twitch and you are restless and can't sleep could be avoided with a teaspoonful of delicious Syrup of Figs. Isn't it foolish to be distressed when there is such a pleasant way to overcome it?

Give your inactive liver and ten yards of waste-clogged bowels a thorough cleansing this time. Put an end to constipation.

Take a teaspoonful of Syrup of Figs tonight, sure, and just see for yourself by morning, how gently but thoroughly all the sour bile, undigested fermenting food and clogged up waste matter is moved on and out of your system—no nausea—no griping—no weakness.

You simply can't have your liver inactive and your thirty feet of bowels constipated with sour, decaying waste matter and feel well. The need of a laxative is a natural need, but with delicious Syrup of Figs you are not drugging yourself. Being composed entirely of luscious figs, senna and aromatics it cannot injure.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna." Refuse, with scorn, any of the so-called Fig Syrup imitations. They are meant to deceive you. Look on the label. The genuine, old reliable, bears the name, California Fig Syrup Company.—Adevertisement.

Miss Margaret Hopper, who has been at her home in this city for two weeks, on account of the closing of her school in the Mt. Tabor district for a case of diptheria, will resume her work Monday morning.

## FOR SALE

M. C. THOMPSON,

One mile north of the K. C. Depot. Farmers phone 3-11.

Mrs. Harley Teaford went to Savannah Thursday evening to visit until Sunday with her parents, Mr. and Mrs. N. F. Auble.

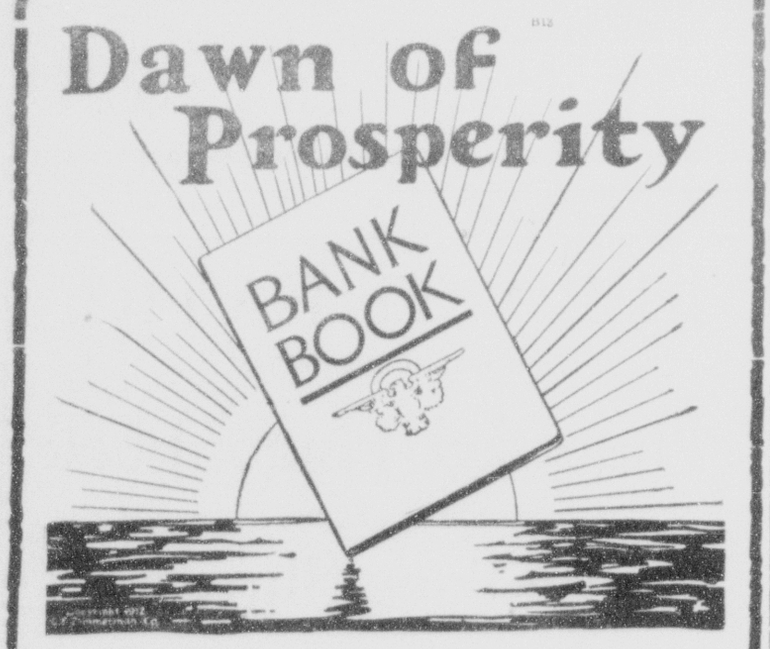
### "STOMACH MISERY ALL GONE."

"My! How Did I Suffer, But Now I'm Happy All Day Long and Sleep Fine.

That's what a woman said just a few months ago. She said more and here it is:

"I wish it lay within my power to persuade every woman sufferer from dyspepsia or indigestion (or whatever they may think their stomach trouble is) to give MI-O-NA Stomach Tablets one week's fair trial. I am sure that every one of them would thank me from the bottom of her heart.'

"I am well and happy for the first time in years and I do not hesitate to give MI-O-NA Stomach Tablets all the credit." Follow this advice. Give MI-O-NA Stomach Tablets a week's trial; if they do not benefit, the Orear-Henry Drug Co. will return the cost—50 cents.—Advertisement.



## Your Prospect of Success Lies with Your Bank Account

The day you make your first deposit marks the beginning of your progress. It is the first real step toward independence. The man who spends all his income is speculating with the future. Everybody meets with some misfortune at some period and should conserve against that day. The young man in business who does not save, the business house that does not maintain a surplus, is unprepared for emergency. Start an account today.

### DEATH FROM PNEUMONIA.

**Funeral Services for Little Son of Mr. and Mrs. Joseph Wilmas Will Be Held Saturday Morning.**

Raymond, the 15-months-old son of Mr. and Mrs. Joseph Williams, living south of Maryville, died Thursday of pneumonia. The funeral services will be held Saturday morning at 9:30 o'clock at St. Mary's Catholic church.

Mr. and Mrs. Wilmas were bereaved of another son two years ago. He was about 10 years old, and came to his death in a peculiar manner. While coasting on his way home from school a lead pencil he had in his mouth penetrated his tongue and caused malignant inflammation of the tongue and throat, from which he died in a few days.

### SPOKE AT THE NORMAL.

**Rev. Henry M. Baker Gave Address to the Men of the School.**

Rev. Henry M. Baker, pastor of the First Christian church at Hopkins, who will lecture tonight at the First Christian church in this city, addressed the men of the Normal at chapel Friday morning. Rev. Baker, who is a native of Australia, is a much traveled man, and in his address to the Normal students he disclosed some very interesting and varied experiences. Rev. Baker divided his address into four sections, Citizenship, Courage, Enthusiasm and Moral Character, and on all of these topics he advanced some very helpful and interesting ideas.

Sheep—1,700. Market strong.

### A GOOD PRESCRIPTION

**For a Long Life.**

This is the prescription for a long life given by an old gentleman in Conn., who is 99 years old and still well and cheerful—"Live temperately, and slow to anger, don't worry, take plenty of exercise in the fresh air, and above all keep cheerful."

Should the system get run down—digestive organs weak—the blood thin and sluggish take Vinol, which is a delicious combination of the medicinal—body-building properties of cods' livers, with the useless grease eliminated and tonic iron added. We regard Vinol as one of the greatest body-builders and strength creators in the world for aged people.

Mrs. Mary Ivey of Columbus, Ga., says: "If people only knew the good Vinol does old people you would be unable to supply the demand; it is the finest tonic and strength creator I ever used."

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

**To Hold Examination.**

A civil service examination for clerk and carrier will be held at the Maryville postoffice March 8. The age limit is 18 to 45, and applicants must be physically sound and must be not less than 5 feet and 4 inches in height, without boots or shoe, and weigh not less than 125 pounds without overcoat or hat.

### YOU CAN BANK ON ZEMO FOR ECZEMA!

**A 25c Bottle Will Prove It Absolutely.**

Your skin will revel with joy the moment you apply the new remedy, ZEMO. "Glory, but isn't it great!" ZEMO is a liquid. You rub it on the affected part, it sinks right in, and then it's goodbye to all that terrible itching, to every eczema sore, eczema pain, pimples, blackheads, blotches, rashes, sores and prickly heat. Yes, they all go; they've got to go. And how clear, smooth and spotless it leaves the skin! Dandruff disappears, too. ZEMO is safe absolutely.

Use ZEMO for irritated, raw and inflamed skin; for cuts, sores and hives and feel the difference at once. Children especially who suffer from skin affliction will go wild over it. ZEMO is guaranteed to stop itching.

ZEMO is sold at drug stores, in 25-cent and $1 bottles, or sent direct, on receipt of price, by E. W. Rose Medicine Co., St. Louis, Mo. The $1 bottle contains six times as much as the 25-cent bottle.

Sold and guaranteed in Maryville by the Love & Gaugh drug store.—Advertisement.

## BROOKLYN TABERNACLE BIBLE STUDY ON

### GOD'S RAINBOW COVENANT.

Genesis 8:1—9:17—Feb. 9.

*"I do set My bow in the cloud, and it shall be for a token of a covenant between Me and the earth."—Genesis 9:13.*

HIGHER Critics refer us to clay tablets found in Babylonia as the earliest record of the Noachian Deluge. These represent in outline Noah and a boat, and contain a few words descriptive of the Flood. This we are asked to accept as superior to the Genesis account. We are amazed! and recall to mind the prophecy which discusses our day, saying, "The wisdom of their wise men shall perish, and the understanding of their learned men shall not be apparent." (Isaiah 29:14.) For our part, the logical, reasonable statements of Genesis respecting the Flood are a hundred times more trustworthy than the crude Babylonian record.

Noah and his family dreaded another deluge. God called their attention to the rainbow, assuring them that never again would the whole earth be flooded. Because earth's last "ring" had come down, there could not be another deluge. Since the Flood, we have moisture in the form of clouds.

*The dove with the olive leaf.*

Prior to the Flood, the sun shone through the watery envelope as a great ball of fire. Hence no rainbow was possible. But now fine vapors in the direct line of the sun's rays naturally cause the rainbow. As God declares, so long as there is a rainbow, there can never be a flood.

**The Tower of Babel.**

Centuries afterward, the worldly-wise of that time undertook the building of a great tower, anticipating another deluge. Since they disregarded God's promise, He let them manifest their folly in unavailing sweat of face. When they were wearied by their herculean task and had learned valuable lessons, God confounded their language. Separated in tongue and interest, they scattered. Gradually manners, customs and color of skin became dissimilar. Thus the various races with their peculiarities of temperament and language had their start. St. Paul remarks that this was premeditated on God's part as being most favorable for the outworking of Divine purposes.

The separation of mankind into different nationalities and the barriers of language kept the peoples apart for centuries. But since steam became effective for transportation, the commingling of nations is breaking down national barriers and favoring human co-operation. Since mankind are sinners by nature, their co-operation is usually selfish and therefore evil.

Today rich corporations are building a great Tower of Babel for protection against calamity. Likewise the laboring classes are building a great Tower of Unionism, to deliver them from all adversity. Except for the dispersion and the language barriers, these worldwide organizations would have developed long ago and precipitated the final great conflict—"a time of trouble such as never was since there was a nation."—Daniel 12:1.

**Fire, the Next Calamity.**

St. Peter divides human history into three great Epochs, called "worlds" in our common version Bible. The first Epoch ended with the Flood, where the present Epoch began, styled by St. Paul, "This present evil world." St. Peter says that the present world will be ended by a deluge of "fire." Then will follow a new "world," or order of things. "The world to come," will be an Epoch of Righteousness, under Messianic supervision.

Bible students formerly understood St. Peter's words to signify literal fire, to consume the physical earth and heavens. Closer study shows that the fire is symbolic, and will consume everything contrary to the Divine will. The "elements" to "melt with fervent heat" are Capital and Labor elements. The friction between these will soon burst into flame, as St. Peter prophesied. The "heavens" are ecclesiastical—the church institutions. These will become involved in the strife between Capital and Labor, and will perish.

*"I do set My bow in the cloud."*

Christ Jesus is the Ark of Safety for all who will be saved from the present order. His followers will become with Him the "new heavens"—the spiritual ruling power of Messiah's Kingdom. Under their supervision a new social order will be inaugurated, and selfishness will be eliminated.

Although many lives will be lost in that trouble which ends this Age, the great mass of mankind will remain. Social, financial and ecclesiastical arrangements will have perished, and everything be put on a new basis by Messiah. The Lord tells us that following the fiery trouble He will send mankind a pure Message, "that they may all call upon the name of the Lord to serve Him with one consent." (Zephaniah 3:9.) Mankind will not be wholly destroyed by that fiery trouble. The confusion of doctrines given forth in the name of the Lord will terminate with this Age. The Message of Divine Grace promulgated in the future will be pure, and the blessing to all that will receive it will be great.

Miss Bess Nicholas went to St. Joseph Thursday evening to visit her uncle, J. H. Nicholas, and family.

### DANGEROUS DANDRUFF

**Will Make America a Baldheaded Nation if Not Checked.**

M. Pasteur, the great French Physician of Paris, once said. "I believe we shall one day rid the world of all diseases caused by germs."

Dandruff is caused by germs, a fact accepted by all physicians.

Dandruff is the root of all hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be no baldness.

Parisian Sage will kill the dandruff germs and remove dandruff in two weeks or money back.

The Koch Pharmacy guarantees it. It will stop itching scalp, falling hair and make the hair grow thick and abundant.

It puts life and lustre into the hair and prevents it from turning gray.

It is the hair dressing par excellence, daintily perfumed and free from grease and stickiness. It is the favorite with women of taste and culture who know the social value of fascinating hair.

A large bottle costs only 50 cents at leading druggist everywhere, and by the Koch Pharmacy. The girl with the Auburn hair is on every package.—Advertisement.

Mrs. J. E. Melvin went to St. Joseph Friday morning for a two days' visit. She was accompanied by her daughter, Mrs. J. T. Goff of Arkoe.

WHY NOT TRY POPHAM'S **ASTHMA REMEDY**
